

FIRE SAFETY

FOR THE TRAVELLER COMMUNITY

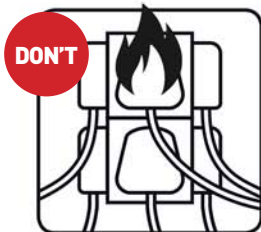

Comhshaol, Pobal agus Rialtas Áitiúil
Environment, Community and Local Government

Tips to stay safe

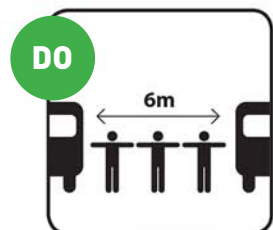

Don't take electricity from overhead cables

Don't overload sockets

Don't leave chip pans unattended

Do keep trailers/mobile homes six metres apart

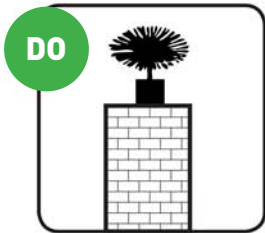

Do test smoke alarms every week

Do have an escape plan and practice it regularly

Do have a safe place to meet outside in the event of a fire

Do clean your chimney or flue at least once a year

Do have all heating appliances and boilers checked regularly by a certified provider

If there's a fire

Do have an escape plan and practice it regularly

If there's a fire – get out, stay out and call 999 or 112

Do make sure you can get out of a window if needed

Call 999 or 112

Do have a safe place to meet outside in the event of a fire

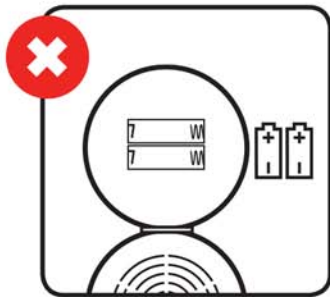

Smoke alarms save lives

Do fit a smoke alarm

Do test smoke alarms every week

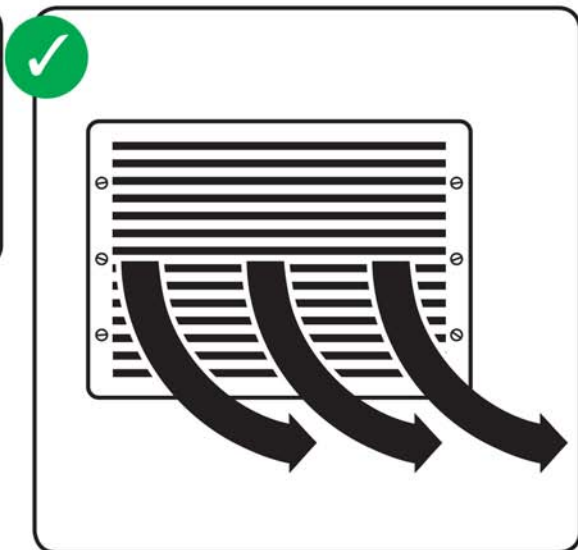

Don't remove batteries from smoke or carbon monoxide alarms

Carbon monoxide

Carbon monoxide (CO) is an invisible, odourless and poisonous gas that can kill you

Don't block vents

Do keep air vents clear

Do fit a carbon monoxide (CO) alarm and check it regularly

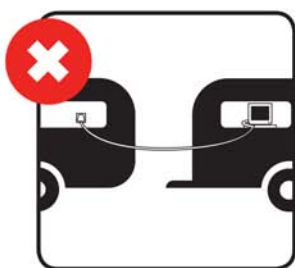

Do have gas heaters and boilers checked regularly

Electrics

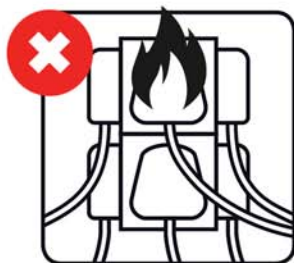

Don't take electricity from overhead cables

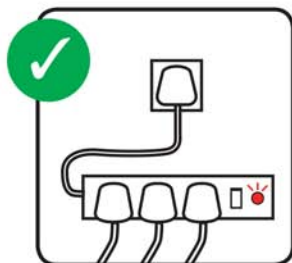

Don't run electrics from one trailer/mobile home to another

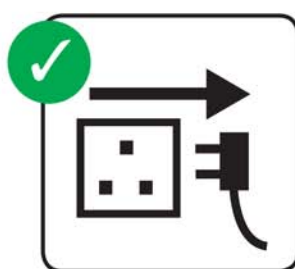

Do take electricity from a safe source

Don't overload sockets

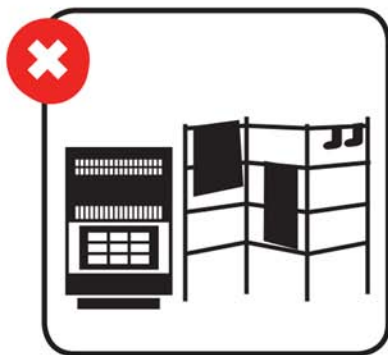

Do use an adaptor with a lead

Do turn off heaters, cookers and unplug tv's when going to bed or leaving the trailer/mobile home

Heaters

Don't dry clothes on or right next to heaters

Do use a registered certified installer

Do have all heating appliances and boilers checked regularly by a certified provider

Indoor risks

Don't leave candles unattended

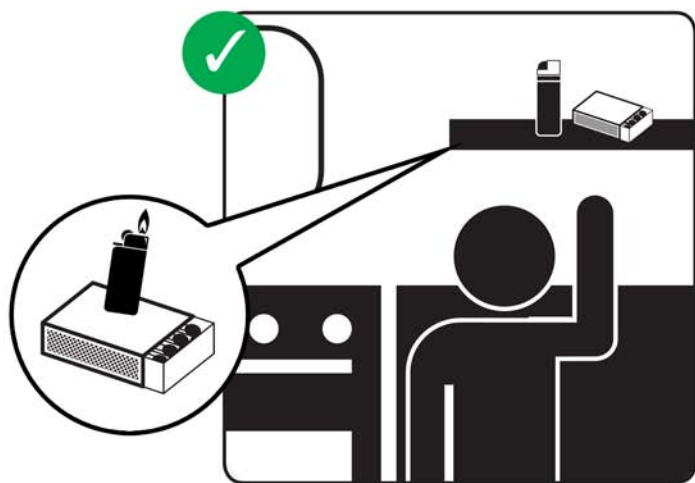

Do put candles in secure holders

Do smoke outside the trailer/mobile home if possible

Don't smoke in bed – smoking inside can be dangerous

Do keep matches and lighters out of children's reach

**Don't use water on
chip pan fires**

Do use a fire blanket

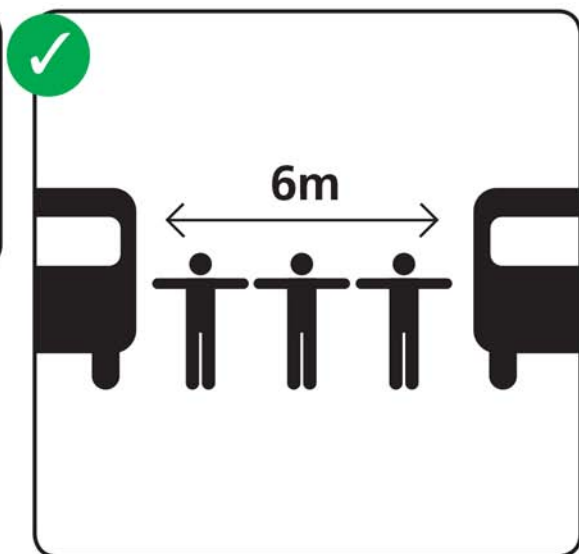

**Don't leave children
alone near cookers
or open fires**

**Do use a secure
deep fat fryer where
possible**

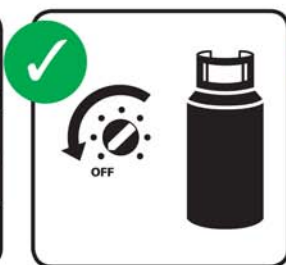

Outdoor safety

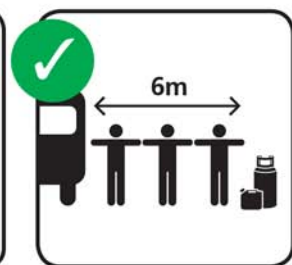

Do try to keep trailers/mobile homes six metres apart (that's roughly the length of three people standing in a line with their arms out)

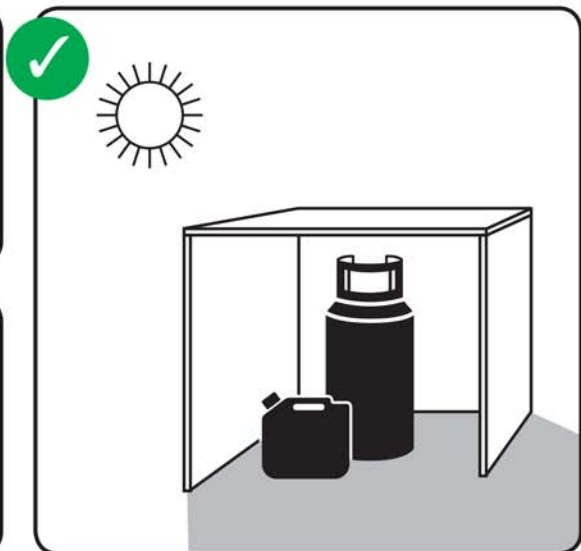

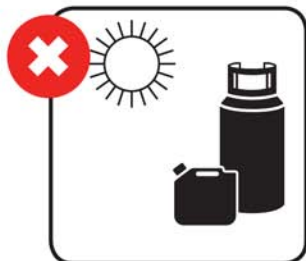

Don't store fuel under your home

Do turn off gas cylinders when not in use

Do keep fuel six metres way from accommodation when not being used

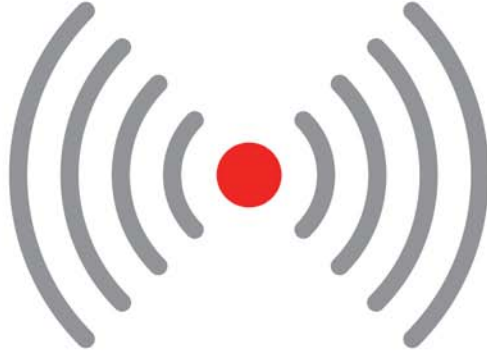

Do keep fuel away from heat sources when not in use

Do keep cylinders upright and secure on a hard surface when in use

Don't let gas leak

**SMOKE AND CARBON
MONOXIDE ALARMS**

**SAVE
LIVES**
