Re: Glashaboy River (Glanmire/Sallybrook) Drainage Scheme

Dear John,

I refer to your letter of 21st December regarding the above scheme.

The Department has considered your letter and notes your Office's confirmation that it will comply with the conditions set out in the appendix to the letter of 14th December.

Therefore, the order to confirm the scheme will now be finalised and the public will be informed of the decision in the local media and on the Department's website in the coming days. I hereby enclose a copy of the Confirmation Order and the Appropriate Assessment Statement for the Glashaboy River (Glanmire/Sallybrook) Drainage Scheme.

Yours sincerely,

Brian O'Malley
