Report of the Comptroller and Auditor General

Ard Reachtaire Cuntas agus Ciste
Comptroller and Auditor General

Report for presentation to the Houses of the Oireachtas Environment Fund

Opinion on financial statements

I have audited the financial statements of the Environment Fund prepared by the Department of Communications, Climate Action and Environment for the year ending 31 December 2018 under Section 74(6) of the Waste Management Act 1996. The financial statements comprise the statement of accounting policies, the statement of income and expenditure, the statement of financial position, the statement of cash flows and the related notes.

In my opinion, the financial statements properly present

- the transactions on the Environment Fund for 2018, and
- the balance of the Fund at 31 December 2018.

Basis of Opinion

I conducted my audit of the financial statements in accordance with the International Standards on Auditing (ISAs) as promulgated by the International Organisation of Supreme Audit Institutions. My responsibilities under those standards are described in the appendix to this report. I am independent of the Department of Communications, Climate Action and Environment and have fulfilled my other ethical responsibilities in accordance with the standards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Report on statement of internal financial control, and on other matters

The Accounting Officer has presented a statement of internal financial control together with the financial statements. My responsibilities to report in relation to the information in the statement, and on certain other matters upon which I report by exception, are described in the appendix to this report.

I have nothing to report in that regard.

Seamus McCarthy
Comptroller and Auditor General

/o December 2019

Appendix to the report

Responsibilities of the Department of Communications, Climate Action and Environment

The Department is responsible for

- the preparation of the financial statements in the format specified by the Minister for Communications, Climate Action and Environment in accordance with section 74(5) of the Waste Management Act 1996
- ensuring that the financial statements properly present the Environment Fund's transactions for the year and the balance of the Fund at year-end
- ensuring the regularity of transactions, and
- implementing such internal control as it determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of the Comptroller and Auditor General

I am required under section 74(6) of the Act to audit the financial statements of the Environment Fund and to report thereon to the Houses of the Oireachtas.

My objective in carrying out the audit is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement due to fraud or error. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the ISAs, I exercise professional judgment and maintain professional scepticism throughout the audit. In doing so,

- I identify and assess the risks of material misstatement of the financial statements whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- I obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls.

- I evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures.

I communicate with the Department regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Statement of internal financial control

My opinion on the financial statements does not cover the statement of internal financial control presented with those statements, and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, I am required under the ISAs to read the statement of internal financial control presented and, in doing so, consider whether the information therein is materially inconsistent with the financial statements or with knowledge obtained during the audit, or if otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this information, I am required to report that fact.

Reporting on other matters

My audit is conducted by reference to the special considerations which attach to State bodies in relation to their management and operation. I report if there are material matters relating to the manner in which public business has been conducted.

I seek to obtain evidence about the regularity of financial transactions in the course of the audit. I report if there is any material instance where public money has not been applied for the purposes intended or where transactions did not conform to the authorities governing them.

I also report by exception if, in my opinion

- I have not received all the information and explanations I required for my audit, or
- The accounting records were not sufficient to permit the financial statements to be readily and properly audited, or
- The financial statements are not in agreement with the accounting records.

Statement by the Accounting Officer on Internal Financial Control

Responsibility for System of Internal Financial Control

As Accounting Officer, I acknowledge my responsibility for ensuring that an effective system of internal financial control is maintained and operated by the Department. This responsibility is exercised in the context of the resources available to me and my other obligations as Secretary General. Also, any system of internal financial control can provide only reasonable and not absolute assurance that assets are safeguarded, transactions authorised and properly recorded and that material errors or irregularities are either prevented or would be detected in a timely manner. Maintaining the system of internal financial controls is a continuous process and the system and its effectiveness are kept under ongoing review.

The position in regard to the financial control environment, the framework of administrative procedures, management reporting and internal audit is as follows.

Financial Control Environment

I confirm that a control environment containing the following elements is in place:

- Financial responsibilities have been assigned at management level with corresponding accountability.
- Reporting arrangements have been established at all levels where responsibility for financial management has been assigned.
- Formal procedures have been established for reporting significant control failures and ensuring appropriate corrective action.
- There is an Audit Committee to advise me in discharging my responsibilities for the internal financial control system.

Administrative Controls and Management Reporting

I confirm that a framework of administrative procedures and regular management reporting is in place including segregation of duties and a system of delegation and accountability and, in particular, that:

- There is an appropriate budgeting system with an annual budget which is kept under review by senior management.
- There are regular reviews by senior management of periodic and annual financial reports which indicate financial performance against forecasts.
- A risk management system operates within the Department.
- There are systems aimed at ensuring the security of the ICT systems.
- There are appropriate capital investment control guidelines and formal project management disciplines.
- The Department is compliant with all relevant guidelines regarding procurement and is complying with all circulars relating to the mandatory use of framework agreements and contracts.

Internal Audit

I confirm that the Department has an internal audit function with appropriately trained personnel, which operates in accordance with an approved written charter. Its work is informed by analysis of the financial risks to which the Department is exposed and its annual internal audit plan, approved by me, is based on this analysis. These plans aim to cover the key controls, on a rolling basis, over a reasonable period. The internal audit function is reviewed periodically by me and by the Audit Committee. I am satisfied that there are procedures in place to ensure that the reports of the internal audit function are followed up.

Statement of Accounting Policies

1. Basis of Accounts

The Environment Fund was established by the Waste Management (Amendment) Act 2001. The proceeds of landfill and plastic bag levies collected by the Local Authorities and the Office of the Revenue Commissioners respectively are paid into the Environment Fund. It applies those funds towards environmental activities and supports.

The Environment Fund comprises two bank accounts and an investment account. The Environment Fund was managed in 2018 by the Department of Communications, Climate Action and Environment and the associated administration costs were charged to Vote 29, Communications, Climate Action and Environment.

The account has been prepared for the year ending 31 December 2018 in a form and manner approved by the Minister for Communications, Climate Action and Environment. The account has been prepared on an accrual basis in accordance with the accounting policies set out below.

2. Funding Policy

The Environment Fund is funded through receipts lodged into the receipts bank account (No. 1 account) by local authorities and the Office of the Revenue Commissioners. The balance in this bank account is transferred to the investment account regularly. Sums payable from the Environment Fund are paid out of the payables bank account (No. 2 account). The necessary funds are transferred to the payables bank account from the investment account before payments are disbursed to the relevant payees.

3. Income

Income to the fund is recognised as follows:

- Environmental levies on the landfill of waste are based on the tonnage of waste deposited in public and private landfill facilities at rates set by the Minister for Communications, Climate Action and Environment.
- Income from environmental levies represents the amount collected in respect of the waste deposited in the period January to December.
- Interest is charged on late payments at 0.0322% per day under Section 13(e) of the Environment (Miscellaneous Provisions) Act 2011. Defaults and late payments by private operators are liable to interest and recoverable as a contract debt through the courts by local authorities.
- Local authorities may deduct and retain up to 2% (maximum of €50,000 per annum) from levies payable in respect of privately operated landfill facilities and 80% from levies payable in respect of unauthorised landfill facilities to meet expenses incurred by them in collection and enforcement.
- Environmental levy on the supply of plastic bags is the amount collected by the Office of the Revenue Commissioners in accordance with Waste Management (Environmental Levy) (Plastic Bag) Regulations 2001 (S.I. No. 605/2001) as amended by the Waste Management (Environmental Levy) (Plastic Bag) (Amendment) (No. 2) Regulations 2007 (S.I. No. 167/2007).
- Receipts from investments are recognised on an accrual basis.

4. Expenditure

Expenditure from the Environment Fund is recognised after budget allocations have been approved by the Minister in 2018 in accordance with Section 74(9) of the Waste Management Act 1996 which specifies the purposes for which payments may be made from the Environment Fund and on the following basis in relation to these areas:

- Research and development, administration, national and international environmental contribution budgeted allocations are claimed by approved bodies such as the Environmental Protection Agency and various international organisations.
- Local authorities and other organisations submit claims that fulfil the conditions of the approved schemes.
- The Department of Culture, Heritage and the Gaeltacht submit claims, in accordance with the terms of the service level agreement, for budgeted built and natural heritage projects.
- Goods and services are received.

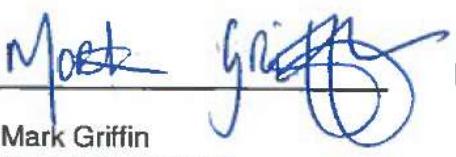

Collection costs incurred by the Office of the Revenue Commissioners in respect of the collection of the environmental levy on the supply of plastic bags are reimbursed from the Environment Fund as agreed under an operation and services level agreement with the Office of the Revenue Commissioners.

An Ciste Comhshaoil

Tuairim faoi na ráitis airgeadais

Tá iniúchadh déanta agam ar ráitis airgeadais an Chiste Comhshaoil arna n-ullmhú ag an Roinn Cumarsáide, Gníomhaithé ar son na hAeráide agus Comhshaoil don bhliain dar críoch an 31 Nollaig 2018 faoi Alt 74(6) den Acht um Bainistiú Dramhaíola, 1996. Áirítear leis na ráitis airgeadais, an ráiteas ar bheartais chuntasaíochta, an ráiteas ar ioncam agus caiteachas, an ráiteas ar an staid airgeadais, an an ráiteas ar shreafaí airgid, agus na notaí gaolmhara.

I mo thuairim, léirítear sna ráitis airgeadais an méid seo a leanas i gceart:

- idirbherta an Chiste Comhshaoil don bhliain 2018, agus
- iarmhéid an Chiste an 31 Nollaig 2018.

Bunús na Tuairime

Thug mé faoi m'iniúchadh ar na ráitis airgeadais i gcomhréir leis na Caighdeáin Idirnáisiúnta um Iníúchóireacht (Cillanna) faoi mar a d'fhógair an Eagraíocht Idirnáisiúnta Uasfhoras Iníúchóireachta. Déantar cur síos ar m'fhreagrachtaí faoi na caighdeáin siúd san agusín leis an tuarascáil seo. Tá mé neamhspleách ón Roinn Cumarsáide, Gníomhaithé ar son na hAeráide agus Comhshaoil agus chomhlíon mé mo chuid freagrachtaí eiticiúla eile i gcomhréir leis na caighdeáin.

Creidim gur leor agus gur cuí an fhianaise iniúchóireachta a fuair mé chun bunús a sholáthar do mo thuairim.

An tuarascáil ar an ráiteas ar rialú inmheánach agus ar cheisteanna eile

Chuir an Toifigeach Cuntasáiochta ráiteas ar rialú inmheánach airgeadais, anuas ar na ráitis airgeadais, i láthair. Déantar cur síos san agusín leis an tuarascáil seo ar m'fhreagrachtaí chun tuairisciú a dhéanamh maidir leis an bhfaisnéis sa ráiteas, agus ar cheisteanna áirithe eile ar a dtuairiscim mar eisceacht.

Níl aon rud le tabhairt le fios agam ina leith sin.

Aguisín leis an tuarascáil

Freagrachtaí na Roinne Cumarsáide, Gníomhaithé ar son na hAeráide agus Comhshaoil

Tá an Roinn freagrach as an méid seo a leanas

- na ráitis airgeadais a ullmhú san fhormáid a shonraíonn an tAire Cumarsáide, Gníomhaithé ar Son na hAeráide agus Comhshaoil i gcomhréir le halt 74(5) den Acht um Bainistiú Dramhaíola, 1996
- a chinntí go léirítear sna ráitis airgeadais i gceart idirbhearta an Chiste Comhshaoil don bhliain agus iarmhéid an Chiste ag deireadh na bliana
- rialtacht na n-idirbheart a chinntí, agus
- an rialú inmheánach sin a chur i bhfeidhm a dheimhníonn an Roinn lena chumasú ráitis airgeadais a ullmhú atá saor ó mhíshonrú ábhartha, cibé acu más calaois nó earráid is cúis leis.

Freagrachtaí an Ard-Reachtaire Cuntas agus Ciste

Ceanglaítear orm faoi Alt 74(6) den Acht chun iniúchadh a dhéanamh ar ráitis airgeadais an Chiste Comhshaoil agus chun tuairisciú a dhéanamh orthu le Tithe an Oireachtais.

Is é mo chuspóir agus mé ag tabhairt faoin iniúchadh dearbhú réasúnta a fháil faoi cé acu an bhfuil nó nach bhfuil na ráitis airgeadais, ina n-iomláine, saor ó mhíshonrú ábhartha, cé acu más calaois nó earráid is cúis leis. Is ionann dearbhú réasúnta agus ardleibhéal de dhearbhú, ach ní hionann é agus ráthaíocht go mbraitheadh iniúchadh faoina dtugtar i gcomhréir leis na Cllanna i gcónai míshonrú ábhartha nuair is ann dó. Féadfaidh míshonruithe eascairt ó chalaois nó earráid agus meastar go bhfuil siad ábhartha más féidir súil réasúnta a bheith leis go n-imreoidh siad tionchar ar chinntí geilleagracha úsáideoirí a rinneadh ar bhunús na ráiteas airgeadais seo.

Mar chuid d'iniúchadh i gcomhréir leis na Cllanna, déanaim breithiúnas gairmiúil agus leanann amhras gairmiúil a bheith orm i gcaitheamh an iniúchta. Agus amhlaidh á dhéanamh agam,

- Sainaithním agus measúnaím na rioscái i leith mhíshonrú ábhartha na ráiteas airgeadais, cé acu más calaois nó earráid is cúis leis, dearaim agus tugaim faoi nósanna imeachta iniúchta a fhreagraíonn ar na rioscái siúd, agus faighim fianaise iniúchta ar leor agus ar cuí í le bunús a sholáthar do mo thuairim. Tá an riosca a chruthaítear nuair nach mbraithear míshonrú ábhartha a eascraíonn as calaois níos airde ná riosca a eascraíonn as earráid, mar gheall go bhféadfadh claoipháriteachas, brionnú, easnaimh d'aon turas, míléiriú, nó gabháil i dtreis ar rialú inmheánach.
- Faighim tuiscint ar rialú inmheánach a bhaineann leis an iniúchadh d'fhoinn nósanna imeachta iniúchta a dhearadh atá cuí faoi na cúinsí, ach nach bhfuil cuí ar mhaithle le tuairim a léiriú faoi éifeachtacht na rialuithe inmheánacha.

- Déanaim meastóireacht ar oiriúnacht na mbeartas cuntasáiochta a úsáidtear agus réasúntacht na meastachán cuntasáiochta agus an nochta ghaolmhair.

Déanaim cumarsáid leis an Roinn, i measc ceisteanna eile, maidir le scóip agus uainiú pleanálte an iniúchta agus tortháí suntasacha iniúchta, aon easnaimh i rialú inmheánach ina measc a shainaithnímid i rith m'iniúchta.

An Ráiteas ar rialuithe inmheánacha airgeadais

Ní chumhdaíonn mo thuairim faoi na ráitis airgeadais an ráiteas ar rialú inmheánach a chuirtear i láthair sna ráitis siúd, agus ní léirím aon fhoirm de chonclúid dhearbhaithe faoi.

I dtaobh m'iniúchta ar na ráitis airgeadais, ceanglaítear orm faoi na Cllanna chun an ráiteas ar rialú inmheánach a chuirtear i láthair a léamh agus, nuair atá amhlaidh á dhéanamh, breithniú a dhéanamh ar cibé acu an bhfuil nó nach bhfuil an fhaisnéis atá ann neamh-chomhsheasmhach go hábhartha leis na ráitis airgeadais nó an t-eolas a fuair mé i rith an iniúchta, nó más dealraitheach, ar bhealach eile, go ndearnadh an fhaisnéis eile a mhíshonrú go hábhartha. Má bhainim an tátal as, bunaithe ar an obair a rinne mé, go ndearnadh an fhaisnéis seo a mhíshonrú go hábhartha, tá orm sin a thabhairt le fios.

Tuairisciú ar cheisteanna eile

Tugaim faoi m'iniúchadh trí thagairt a dhéanamh do bhrefinniúcháin speisialta a bhaineann le comhlactháí Stáit maidir lena mbainistiú agus lena n-oibriú. Tuairiscim más ann do cheisteanna ábhartha lena mbaineann an bealach a tugadh faoi ghnó poiblí.

Lorgaím fianaise a fháil faoi rialtacht na n-idirbheart airgeadais i gcúrsa an iniúchta. Tuairiscim más ann d'aon chás ábhartha nár caiteadh airgead poiblí chun a gríoch beartaithe nó sa chás nach raibh na hidirbhearta i gcomhréir leis na húdaráis a bhí á rialú.

Tuairiscim, trí eisceacht, chomh maith, sna cásanna seo a leanas

- Ní bhfuair mé, i mo thuairim, an fhaisnéis agus na mínithe go léir a theastaigh uaim chun m'iniúchadh a dhéanamh, nó
- I mo thuairim, níor leor na taifid chuntasaíochta lena ligean dom na ráitis airgeadais a léamh gan stró agus a iniúchadh i gceart, nó
- Níl na ráitis airgeadais, i mo thuairim, i gcomhréir leis na taifid chuntasaíochta.

Ráiteas leis an Oifigeach Cuntasáiochta ar Rialú Inmheánach Airgeadais

Freagacht as an gCóras Rialaithe Inmheánaigh Airgeadais

Mar Oifigeach Cuntasáiochta, aithním an fhreagacht atá orm a chinntíú go ndéanann an Roinn córas éifeachtach rialaithe inmheánaigh airgeadais a chothabháil agus a fheidhmiú. Feidhmítar an fhreagacht seo i gcomhthéacs na n-acmhainní atá ar fáil dom agus m'óibleagáidí eile mar Ard-Rúnaí. Chomh maith leis sin, ní féidir le haon chóras rialaithe inmheánaigh airgeadais ach a dhearbhú go réasúnta seachas go hiomlán go gcosnaítear sócmhainní, go n-údaraítear idirbhearta agus go gcuirtear i dtaifead iad i gceart, agus go gcoisc tear earráidí nó neamhrialtachtaí ábhartha nó go mbraithfí iad ar bhealach tráthúil. Próiseas leanúnach atá sa chóras rialuithe inmheánacha a chothabháil agus déantar athbhreithniú leanúnach ar an gcóras agus ar a éifeachtacht.

Seo a leanas an suíomh maidir leis an timpeallacht rialaithe airgeadais, ancreat nósannaimeachta riarcháin, tuairisciú bainistíochta agus iniúchóireacht inmheánach.

Timpeallacht Rialaithe Airgeadais

Deimhním go bhfuil timpeallacht rialaithe i bhfeidhm ina bhfuil na gnéithe a leanas:

- Sannadh freagrachtaí airgeadais ar leibéal bainistíochta agus sannadh an fhreagacht chomhfhreaghach.
- Bunaíodh socruithe tuairisciúthe ar gach leibéal sa chás gur sannadh freagacht as bainistíochta airgeadais.
- Tá nósannaimeachta foirmiúla i bhfeidhm chun laigí suntasacha rialaithe a thuairisciú agus gníomh ceartúcháin cuí a chinntíú.
- Tá Coiste Iniúchta ann chun comhairle a chur orm agus mo chuid freagrachtaí as an gcóras rialaithe inmheánaigh airgeadais á gcomhlíonadh agam.

Rialuithe Riarcháin agus Tuairisciú Bainistíochta

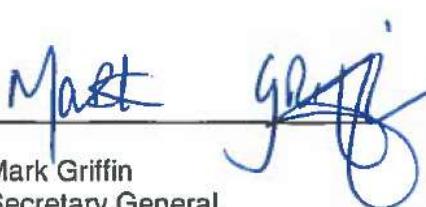

Deimhním go bhfuil creat nósannaimeachta riarcháin agus tuairisciú rialta bainistíochta i bhfeidhm, lena n-áirítear leithdheighthilt dualgas agus córas tarmligin agus freagraghta agus, go háirithe:

- Tá córas cuí buiséadta ann ag a bhfuil buiséad bliantúil ar a ndéanann an bhainistíocht shinsearach athbhreithniú leanúnach.
- Déanann an bhainistíocht shinsearach athbhreithnithe rialta ar thuarascálacha tréimhsíúla agus bliantúla airgeadais a thugann feidhmíocht airgeadais le fios i leith na dtuartha.
- Oibrítear córas bainistíochta riosca laistigh den Roinn.
- Tá córais ann atá dírithe ar shlándáil na gcóras TFC a chinntíú.
- Tá na treoiríntí cuí rialaithe infheistíochta caipitil agus na disciplíní foirmiúla bainistíochta tionscadal ann.
- Comhlíonann an Roinn na treoiríntí ábhartha go léir maidir le soláthar agus comhlíonann sé na ciorcláin go léir a bhaineann le húsáid éigeantach a bhaint as creat-chomhaontuithe agus conartháí.

Iniúchóireacht Inmheánach

Deimhníم go bhfuil feidhm iniúchóireachta inmheánaí sa Roinn ag a bhfuil an pearsanra ar ar cuireadh an oiliúint chuí, a oibrítear i gcomhréir le cairt scríofa fhaofa. Cuireann anailís ar na rioscaí airgeadais a bhfuil an Roinn nochta dóibh faisnéis ar fáil dá obair, agus tá pleannanna bliantúil iniúchóireachta inmheánaí, arna bhfaomhadh agamsa, bunaithe ar an anailís seo. Tá sé d'aidhm ag na pleannanna seo na príomhrialuithe a chuimsiú ar bhonn rollach thar thréimhse réasúnta. Déanaimse agus an Coiste Iniúchóireachta athbhreithniú tréimhsíúil ar an bhfeidhm iniúchóireachta inmheánaí. Táim sásta nach bhfuil aon nósanna imeachta i bhfeidhm lena chinntíú go leantar le tuarascálacha na feidhme iniúchóireachta inmheánaí.
