Nothing involving returns taken into a store or to be handled by store staff who also handle goods for sale. Hygiene! Covid! Advocate machines. How do you deal with recycling stuff litter bins? Issue of carbon use going to stores with returnable?

This is not 1950s! I would prefer if large stores were obliged to have bins nearby for all packaging waste and small stores to share cost. Let the polluter pay, ie store!

Sent from my Samsung Galaxy smartphone.
