Hi there,

I just wanted that my family and I (5 people based in Dun Laoghaire, Co Dublin) fully support the idea of a Deposit Return Scheme for Plastic Bottles and Aluminium. It is a scheme we have seen in operation in other countries and we totally support. It has changed people's behaviour and increased the recycling rates in the countries where it was introduced.

Ireland can definitely lead the way on this front.
Please, please make it happen!

Kind regards
