Hi there,

I wish to confirm my support for a deposit scheme ONLY if people can deposit their cans and bottles in their local store. If all local shops have a deposit scheme this will work well. If not this will not. I think what will happen is people will pack up their cars to drive to these places, while they should be able to walk to their local centra/londis/applegreen etc to drop off half a dozen items at a time.

Kind Regards,
