As a member of Castleknock Tidy Towns I would welcome the introduction of a deposit return scheme. Most of the litter picked up on the streets around the village consists of plastic bottles and drink cans, most days it would be two bags of them. So any scheme to encourage people to recycle them would be welcome. I would suggest a deposit of at least 50 cents on the soft drinks cans and drink bottles, with a one Euro deposit on alcohol cans, as these are the worst offenders. The scheme should be as simple as possible with as many retail outlets involved as possible.

Regards
