Subject: Consultation on the Proposed Deposit and Return Scheme

Hi,

Thank you for the opportunity to make a submission on the proposed Deposit and Return Scheme (DRS).

The DRS is a very positive step in the right direction. Ireland is long overdue following best international practice in this area.

The scheme should be expanded to promote re-use of glass bottles, as in other countries

In order to be effective, it is essential that the level of the deposit is set high enough.

Regards,
