Subject: Deposit Return Scheme

I am writing in support of the proposed scheme. I am from Denmark originally, one of the countries where this scheme has operated with great success for decades. The scheme not only supports the environment by reducing plastic waste, it also fosters a greater sense of social responsibility. Empty cans and plastic bottles are basically currency, so having a deposit return scheme discourages littering, providing a cleaner environment overall. It's a win win situation all around and I really hope it comes to fruition.
Kindest regards,
