Hi team -

I just came across this on the gov.ie website and wanted to submit my support for such a scheme. I grew up in Germany and have been living in Ireland for several years. It shocked me at first to find out that bottles could not be returned for a deposit here. Germany has had such a scheme for quite some time and it's a huge success.

I would strongly urge you to implement it at the earliest as it has tremendously positive effects on the planet we live on. Reducing our carbon footprint and recycling wherever possible will go a long way towards improving our environment and this will be a great incentive to recycle.

Thank you for your time, I hope to see this scheme implemented soon!

Kind regards,
