Subject: Deposit Return Scheme in Ireland

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Dear DCCAE,

I sincerely welcome the introduction of the Deposit Return Scheme in Ireland.

I agree with the centralised model proposed.

I believe the deposit per container should be 0.20c - 0.50c per container. The final chosen amount should be the same for all containers to simplify communications and there should be an option when returning to donate to a charity fund.

Kind Regards,
