Subject: Deposit Return Scheme Feedback

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Dear DCCAE,

I really welcome the introduction of the Deposit Return Scheme in Ireland.

I believe the deposit per container should be 0.20c. The amount should be the same for all containers to simplify communications. It would be great to have a way of saving up all the refunds and withdrawing the amount once a month or every few months to make it easier.

Best Regards,
