Apologies,  
I wanted to say I agree with the centralised proposal.

How to advertise..... appeal to youngsters for the pocket money. Show the 60s and 70s when college students could collect bottles and go out for a few drinks on the back of it..... we never went for coffee back then!!

Good afternoon.  
I want to add my support to this idea. Hopefully it will be the first of many with cans following in quick succession.
