To whom it may concern
I am the secretary of Cashel Tidy Town and have been texting and phoning our members in these difficult times re the Deposit return Scheme.
Every member i have engaged with think this would be an excellent way forward .
Many of us are well into our 70s and can remember when we were young that many bottle were returned to pubs and shops for a few pennies any that were left on the road were eagerly picked up by us for sweet money .
Our litter picks over the last few years has produced much more beer bottles as well as plastic bottles of fizzy drink .
We would be 100 per cent behind a scheme like this .
Thank you for taking so much interest in making the future a better place for us
Kindest regards
