WPEP QQI Work Experience Module

Is the WPEP QQI Work Experience Module for you?

- Are you currently on WPEP placement?
- Are you looking to have your placement recognised with a QQI certification at level 3, 4 or 5?
- If so, the WPEP QQI Work Experience Module is the programme for you!
- This module fulfils all of your accredited training requirements for the WPEP.
- Contact your Local Intreo Case Officer for more details.

- The new Pathways to Work Strategy 2021-2025 provides for a new Work Placement Experience Programme (WPEP) to ensure that all participants would have access to quality training, development and work experience opportunities.
- The WPEP focuses on offering work experience and certified training and enhancing your personal and professional development across all employment sectors.

Intreo

Taking part in the QQI Work Experience Module will enable you to:

- Identify your skills, attributes, experiences and interests in order to match them to appropriate work opportunities.
- Actively and effectively engage in a work placement adhering to work placement standards and norms, encouraging you to develop your workplace etiquette.
- Develop an understanding of employer and employee rights and responsibilities.
- Take responsibility for your own learning.
- Develop self-awareness and self-reflection skills in order to be able to evaluate your work placement experience.
- Manage feedback from your supervisor in order to inform your future career choices/plan.

Course Details

- The WPEP QQI Work Experience module will be delivered via virtual live classes.
- Assessment includes a Portfolio of Work and Supervisors Report.
- Duration of course: 10-12 weeks.

**‘Tell me and I’ll forget,
Teach me and I
remember,
Involve me and I learn’**

(Benjamin Franklin)
