Parents Plus Trainers. Evidence-based parenting programmes such as Parents Plus are facilitated by trained Family Support Service staff as part of a suite of individual and group-based family support interventions.		
<p>Skibbereen Community and Family Resource Centre <i>Parents Plus Programmes</i></p> <p>This project will train staff members in areas of the Parents Plus programmes. Staff trained in these evidence based programmes will be able to apply their training to delivery of the programme as well as in their daily support of families.</p>	€11,105.55	Cork
<p>Barnardos Carlow <i>Development & Delivery of a Level 8 module in Understanding and Responding to Domestic Sexual and Gender Based Violence and Abuse</i></p> <p>This project will develop and deliver a module on Understanding and Responding to Domestic Sexual and Gender Based Violence and Abuse in order to provide a professional development opportunity for those working to support children, young people and families who may have experienced domestic abuse.</p>	€20,000	Carlow
<p>Anam Cara Parent and Sibling Bereavement <i>Supporting Frontline Professionals working with Families After Traumatic Bereavement</i></p> <p>This workshop is intended for frontline professionals in contact with bereaved families, with a focus on interventions to prevent negative impacts of traumatic bereavement. Participants will recognise how grief and loss affects the bereaved family, understand the normal reactions to grief and loss, and explore more complex reactions which may require further interventions.</p>	€7,500	South Dublin
<p>St Gabriel's Foundation <i>Behavioural Support Programme</i></p>	€4,510	Limerick

<p>This project will train the organisation's Therapy Assistants to provide the Behavioural Support Programme. This is a parent training and coaching programme for families of children/young people with a disability presenting with severe behavioural difficulties, with the ultimate objectives of maintaining calm within the home for the family, avoiding escalation into crisis and helping the whole family.</p>		
<p>Newpark Close Community Family Resource Centre Training Staff in the Parents Plus Adolescents Programme</p> <p>This project will train two staff member in the Parents Plus Adolescents programme. By providing this programme, the organisation will support more families, and parents will have the support of peers with whom they can share their knowledge and experiences.</p>	<p>€1,280</p>	<p>Kilkenny City and County</p>
<p>Mother Tongues <i>Enabling Practitioners to Develop and Share Successful Practice for Migrant Children</i></p> <p>Mother Tongues will train teachers and early years practitioners in the areas of: supporting integration, communicating with families, creating appropriate classroom environments, assessing difficulties and identifying children's needs. This project will create training videos on best practice based on research and the experience of professionals working with migrant children and families, with the intention of averting educational disadvantage, potential misdiagnosis and social isolation.</p>	<p>€7,180</p>	<p>South Dublin</p>
<p>Archways <i>Knowledge Sharing: Early Intervention for Children at risk of ADHD</i></p> <p>This project will deliver training on early identification and intervention for ADHD to frontline practitioners including allied health professionals, early year's practitioners and</p>	<p>€8,567.50</p>	<p>South Dublin</p>

<p>educators. Training would focus on recognising and understanding behaviours consistent with ADHD and provide practitioners with practical evidence-based tools and strategies to use in their setting.</p>		
<p>Ballincollig Family Resource Centre <i>Ballincollig ASD Community Response Capacity Building Network</i></p> <p>This project will provide Parents Plus Special Needs Programme Training to a network of front-line support workers, supporting support 12 training spaces on the Parents Plus Special Needs Programme Training. This collaborative project will also work with the Shine Centre for Autism, Cork, who are committed to capacity building locally providing training for up to 20 frontline support workers.</p>	€10,000	Cork South
<p>National College of Ireland <i>Early Childhood Home Visiting Alliance</i></p> <p>This collaboration of 5 Irish evidence-based early childhood home visiting programme will promote home visiting as an essential prevention and early intervention service for children, parents and families. It will deliver peer to peer networking and knowledge sharing events/action learning sets, develop knowledge sharing tools and resources, and develop a series of digital activities.</p>	€9,500	Dublin City North
<p>Irish Society for the Prevention of Cruelty to Children <i>Facilitating NVR Remotely</i></p> <p>This project will deliver a workshop gathering practitioners of Non-violent Resistance (NVR) from across Ireland together to share insights from our learning of delivering NVR online. It will disseminate the practical and useful information we have gathered regarding moving from face to face, to remote delivery. These workshops will build professional capacity in the area of child to parent violence.</p>	€10,000	Cork

<p>Irish Association for Infant Mental Health (IAIMH) <i>"Baby Steps" - A National Conference on the Growth of Infant Mental Health in Ireland</i></p> <p>This project will host a National Conference building the capacity and competency of individuals and organisations working directly and indirectly with babies, toddlers, young children and their families in the area of Infant and Early Childhood Mental Health. It will provide an opportunity to showcase the excellent examples of work in this area in Ireland as well as international best practice. It supports babies' chances of better outcomes across the lifecourse.</p>	<p>€9,000</p>	<p>National</p>
<p>Dublin South City Partnership <i>Early Years Managers – Peer Learning Model</i></p> <p>This project will provide access to a peer learning model for managers of early learning and care (ELC) services based within the Dublin South City Partnership geographical remit areas of D4, D6W, D8, and D12. All ELC managers within the area will be invited to participate. The objective of the project is to provide participants a space to develop prevention and early intervention learning, bridging the gap from theory to practice.</p>	<p>€5,400</p>	<p>Dublin City South</p>
<p>Hill Street Family Resource Centre <i>Roll out of the Preparation for Preschool Programme</i></p> <p>This project will support the roll-out of the Preparation for Preschool Programme (PfP) through a coaching and mentoring programme. Three staff from a number of settings will attend the PfP in Hill Street and observe the programme in action, with the development of an implementation guide/manual that can be used in other settings nationally. The programme is specifically designed to support children to make a positive transition from home to preschool, by developing and fostering their independence, social emotional skills, imagination, language, and communication skill.</p>	<p>€17,825</p>	<p>Dublin North</p>
<p>Irish Foster Care Association</p>	<p>€19,907</p>	<p>Dublin South</p>

<p><i>Rupture and Repair</i></p> <p>This project aims to support development of protective factors which promote placement stability for children and increase foster carer retention and to improve foster carer-practitioner understanding and communication around factors and processes influencing placement breakdown and safe care processes. Training for Foster Cares and practitioners. Provision of 8-week programme of support for foster carers who have experienced loss due to placement endings, breakdown or experiences of allegations, complaints or welfare concerns.</p>		
<p>Lus na Gréine Family Resource Centre <i>Reducing Parental Conflict: Why It Matters to Society</i></p> <p>This project will provide training and up-skilling for 10 family support practitioners on parental conflict through workshops and facilitation. It aims to create parental awareness of the negative impacts of frequent, intense and poorly resolved parental conflict and the supports available to parents. This project will ensure that practitioners and services gain the confidence, tools and knowledge in a timely fashion to identify and support families where damaging conflict is ongoing.</p>	€11,000	Longford/ Westmeath
<p>Newbridge Family Resource Centre <i>Supporting Professionals, Supporting Families</i></p> <p>This project has three elements, the provision of opportunities for professionals to complete the evidenced-based Parents Plus Facilitator training; the provision of Youth Mental Health First Aid training, and professional development opportunity in the area of trauma-informed practice. The goal is that professionals supporting families will be equipped with the skills, knowledge, understanding and confidence to support vulnerable children and family.</p>	€13,559.95	Kildare
<p>TOTAL FUNDING AWARDED</p>	<p>€200,000</p>
