RE: Pensions Commission Consultation

I refer to your e-mail correspondence of 5<sup>th</sup> March 2021 regarding the public consultation on State Pensions arrangements and proposals to ensure that State Pensions are sustainable into the future.

I wish to advise that the Department of Tourism, Culture, Arts, Gaeltacht, Sport and Media fully supports the work of the Commission and welcomes the opportunity to comment afforded it by the Commission, the Department has no observations to make as part of the consultation process at this time.

Yours sincerely,

Stephen O'Rourke
