On behalf of the Oughterard Angling Club I would like to submit the following with regard to the proposed salmonid bye law:

Section 4 of draft - the word "primarily" should be removed and replaced with "solely" in line with SAC status.

Section 6 of draft (part 3) - there should be no limit on the removal of non-native fish i.e. invasive northern pike

Section 7 of draft - Inland Fisheries Ireland should have sole authority on management of lakes, not the Minister who is not qualified in these matters

Regards

Kevin Prunty - Sec.
