Subject: Proposed Salmonid waters Bye-Law

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Hi

I would like to make a submission with regard to the new proposed Salmonid bye law. In its present form it is a serious danger to all Trout fishing.

1. The waters should be Solely not Primarily managed (number four on the proposed by law)
2. Should be a five year plan (number six on the proposed by law)
- 3 Number 7 on the proposed by law should be removed.

Yours Sincerely

[REDACTED]
