Re: **Draft Designated Salmonid Waters Bye-Law 2021**

To whom it may concern,

I hereby object to the proposed Bye-Law for the following reasons

- 1. The listed waters should be managed exclusively for the benefit of salmonid species.**
The word "primarily" (number 4 on the proposed Bye-Law) implies that these waters may also be managed for other fish species.
- 2. Stock Management plans should be of at least 5 year duration**
(numbers 5 and 6 of the proposed Bye-Law)
- 3. Point 7 of the proposed Bye-Law should be deleted.**
The effect of this point would be to transfer control to Department civil servants, of a primary development role of Inland Fisheries Ireland.

Yours sincerely,
