Re: Draft Designated Salmonid Waters Bye-Law 202

I hereby object to the proposed Bye-Law for the following reasons

1. The listed waters should be managed exclusively for the benefit of salmonid species.
The word "primarily" (number 4 on the proposed Bye-Law) implies that these waters may also be managed for other fish species.
2. Stock Management plans should be of at least 5 year duration (numbers 5 and 6 of the proposed Bye-Law)
3. Point 7 of the proposed Bye-Law should be deleted.
The effect of this point would be to transfer control to Department civil servants, of a primary development role of Inland Fisheries Ireland.

Yours Sincerely
