**Subject:** Observations on the draft designated salmonid waters bye-law

**CAUTION:** This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Dear Minister,

I wish to make the following submission on the proposed Bye-law for Designated Salmonid waters.

(1) The meaning of the word "primarily" is open to overly broad interpretation. It should be clearer in the bye-laws that the designated catchment is salmonid and limit actions that may impact this.

(2) In Section 2 the designated waters need to include the tributaries, feeder streams and catchment that feed into the lakes.

Best regards
