Subject: proposed bye-law- = Draft Designated Salmonid Waters Bye-Law

CAUTION This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Dear sir

I would like to register my disgust and deep abhorrence at this proposed slaughter and culling of coarse fish on "designated" Salmonid waters at the behest of a handful of spoiled and elitist idiots who have the temerity to call themselves sportsmen.

This bye-law is a licence to slaughter, maim and is nothing short of species ethnic cleansing

Any minister who supports this bye-law is a liability to his party-the electorate will have the final say

Yours in sport
