Dear Sirs,

I [REDACTED] wish to for the second year running wish to make the attached submission re Wild Salmon and Sea Trout Tagging Scheme (Amendment) Regulations.

I wish to point out that the department has and continues to totally ignore the needs and ability of the disabled angler who does not have the ability to fly fish when it comes to the catch and release scheme with regards to the Wild Salmon and Sea Trout Regulations.

I will be following this matter up if not addressed in a proper and professional manner with regards to the inclusion of the disabled angler with the following minister in my constituency.

An Taoiseach Micheal Martin

Minister Michael Mc Grath

Minister Simon Coveney

Your Sincerely
