

Hi,

I want to give my support for Noel Cribbins application for wood pellet stove grants for the region and for the transition.

Best regards,

Subject: Wood Pellet Stoves Grant?

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Hi,

Will there be a grant to help people purchase Wood Pellet Stoves to move to Renewable Energy? Will they be receiving a grant in the new retrofit scheme?

These systems are easier and cheaper to transfer a solid fuel system to renewable than a heat pump system.

Best Regards,
