Can we please have a Minister for Biodiversity.
Reducing carbon is not enough. I wish we had someone in Government with a vision for conserving Irelands natural heritage...we have lost so much.

GDP is not holistic leadership, it is incomplete and blinkered.

A citizen of Ireland.

How effort is shared to meet the 51% emissions reduction by 2030 across the first two carbon budgets, 2021-2025 & 2026-2030.

- The third carbon budget for 2031-2035 being consistent with the national objective for a climate neutral economy by no later than 2050.
- The CCAC Technical report accompanying the proposed carbon budget programme.
- Any other observations you wish to mak
