Part B: Information Specific to the Data Being Collected in Application for Temporary Permit in the event of Vehicle Breakdown

The following data is specific information in relation to the personal data for processed for the purposes of this form

Specific Purpose:

Where the holder of a Road Haulage Operator Licence or Road Passenger Transport Operator Licence has a vehicle breakdown, they have the option of adding a permanent replacement vehicle to the licence or a temporary replacement vehicle for a period of up to 21 days. If they wish to avail of the provision for a temporary replacement vehicle, the Application Form for Temporary Permit in the event of Vehicle Breakdown is to be completed. The form is submitted to the Road Transport Operator Licensing Unit of the Department of Transport where it is processed and kept on file.

Legal Basis

Section 4(4) of the Road Transport Act 1999 provides for the issuing of temporary permits for use in a replacement vehicle where a vehicle originally authorised on the operator licence is undergoing repair.

Recipients:

Information relating to temporary replacement vehicles for authorised vehicles undergoing repair is not shared outside the Department of Transport. Registration numbers of temporary replacement vehicles do not appear in the searchable licence register available to the public.

Transferred outside the EU/EEA and countries with which there is no adequacy agreement*

The personal information you provide in the Application Form for Temporary Permit in the event of Vehicle Breakdown is not transferred outside the EU/EEA.

Retention Period

The data collected for this purpose will be held by the Department only as long as there is a business need to do so in line with the purpose(s) for which the personal data was collected. After this time it will be marked for destruction and will be destroyed in line with internal guidelines or guidelines for destruction received from the National Archives Office or associated permission received from them or in line with other statutory requirements for destruction.

Data Provision – Statutory Obligation

Where the holder of a Road Haulage Operator Licence or Road Passenger Transport Operator Licence has a vehicle breakdown and wishes to have a temporary replacement vehicle added to the licence, the data requested in the Application Form for Temporary Permit in the event of Vehicle Breakdown must be provided in order that the temporary permit may be issued.

Automated Decision Making

Automated decision making is not part of the processing of the personal data included in this form.

Information from a third party
