3. Details of the Survey Vessel

Research vessel DP1 **Ondine Jule** (call sign **EIZH4**) will carry out the work. The vessel will be towing geophysical equipment during operations and the vessel will be restricted in its

ability to manoeuvre. All vessels operating within this area are requested to keep their distance and pass at minimum speed to reduce vessel wash. Communication on marine band radio frequencies will be conducted with other ships and vessels to notify them of the operations. These will be 24hr operations 7 days a week.
