ACTION AND ENGAGEMENT

 **ColáisteDúnlascaigh** @ColDunlascaigh · May 10

Whilst studying about their carbon footprint @ColDunlascaigh 2nd year Technology students decided to use entirely recycled materials for their latest project. Some examples below.

All materials used were taken out of bins around the school and at home!

3rd Year Lismore have been learning about Human Rights and the SDGs and referencing Qatar's disengagement with both. Such a hot topic of conversation in the media and great that students are also discussing these inequalities in school. [#take1week2022](#) [@KCETB_Schools](#) [#etb_sdgs](#)

Qatar-Human Rights Record- 3 Lismore

- Children were used as camel jockeys as young as 2-starved to keep bodyweight down!
- Women convicted of sex outside marriage=1-7 Years in Jail-not believed if raped
- Restrictions on freedom of expression
- Patients not speaking English or Arabic do not get hospital care
- Women's pay is 25-50% less than men
- Migrant workers are often under paid- South Asians treated poorly
- 6,500 people died constructing the stadiums
- Workers can live with 12 in a room

10 REDUCED INEQUALITIES

5 GENDER EQUALITY

The background features a light pink gradient. On the right side, there is a complex arrangement of 3D rectangular blocks in various colors including teal, orange, red, white, and dark blue. On the left side, a white rectangular box with a black border contains the text.
