

CLAIM FORM FOR HOME TUITION PAYMENTS TO BE PAID BY AGREEMENT DIRECTLY TO GROUP PROVIDERS 2023/24

When completed fully and correctly, this claim form must be submitted **by post only** to the following section:

**Special Needs and Tuition Grants, Schools Division Financial, Department of Education,
Cornamaddy, Athlone, Co. Westmeath, N37 X659**

1. Parents/legal guardians are advised that, as an exceptional measure and for an agreed period only, payment for this service, once certified and approved, will be made directly to this group provider on your behalf by the Department of Education (hereafter 'the Department').
2. The completed claim form will be submitted by the approved group provider. The parent/legal guardian must not make any payment to the group provider for any tuition that may have been provided to the student concerned. Payments made by the parent/legal guardian to this group provider cannot be claimed from the Department and will not be refunded to the parent/legal guardian by the Department.
3. Precise hours and dates that denote when the student was either in attendance or absent during each week for the relevant month must be confirmed by the parent/legal guardian in order for the payment to be processed. Where an absence is planned and recurring, e.g. a student taking each Friday off to attend other services, this should be clearly stated in the Part 2 for that student.
4. Only forms claiming for tuition that has already taken place will be considered. Forms dated before the tuition has taken place will be returned unprocessed to the group provider.
5. Payments will only be made in respect of tuition where the tutors, assistants and students have been pre-approved and the claim made is in line with the terms of the sanction letter(s).
6. Only an original, fully and correctly completed claim form will be accepted for payment. All signatures, those of the parent/legal guardian(s), tutor(s) and of the group provider director, must be handwritten.
7. Claims for payment in respect of tuition already provided should be submitted at the end of each calendar month and no later than the end of the following month. The timeframe for the completed processing of **correctly completed** claim forms is four to five weeks from the date of receipt.
8. Submitted claims should include all days of tuition for the relevant month up to and including the last Friday of the month. Please ensure that the **published payment schedule** is consulted to confirm the details for each monthly payment. With the exception of weeks that contain a bank holiday, all tuition weeks must observe a five-day timetable. In **all weeks**, the maximum daily tuition limit per student is four hours.
9. Home tuition is for educational purposes only. The provision of therapeutic services, e.g. speech and language therapy, occupational therapy, psychological therapy, etc. is a matter for the Health Service Executive. The Department's home tuition grants **must not, under any circumstances**, be used to fund such health related supports.
10. **All** tutors and assistants must be registered with The Teaching Council for the duration of the tuition period in order to be eligible to provide tuition under the terms of the scheme. Where registration details cannot be verified, payment to that tutor or assistant and for that class will not issue. Any subsequent payment to that tutor or assistant and for that class will issue only once the relevant Teaching Council registration details have been updated/renewed and then confirmed by the Department.
11. Parents/legal guardians, group provider staff, tutors and assistants are all advised to familiarise themselves with the terms and conditions of the home tuition grant scheme. These are outlined in the Department's *Circular 0024/2023* and summarised in the sanction letter(s) issued by the Department.
