

TYNDP request for letter of support questionnaire

Please keep your answers as concise as possible to facilitate a speedy turnaround.

Q1. Nature of the Proposed project (please keep to 300 words or less)

Q2. How does your project proposal align with National Policy?

Q3. At what stage of development is your proposed project?

Q4. Please provide an overview of your company structure

Q5. Please give a summary of relevant experience in transmission projects

I certify that the above information is accurate.

I acknowledge that any letter of support issued by the Department is exclusive to the TYNDP process and confers no other benefits, rights or status to the project.
