

An Roinn Iompair
Department of Transport

Marine Notice No. 73 of 2023

Notice to All Domestic Passenger Ship Operators, Fishing Vessel Owners, Recognised Organisations, Masters, Skippers, Officers and Seafarers.

This Marine Notice Supersedes Marine Notice No. 49 of 2020.

Panel of Authorised Surveyors carrying out Statutory Radio Surveys on Irish sea-going Passenger Ships and Fishing Vessels.

The Department of Transport wishes to advise that it has established a Panel of Authorised Surveyors to conduct statutory radio surveys on Irish sea-going domestic passenger ships and fishing vessels.

This Panel is established from 21st October 2023 until further notice.

Owners/Operators of such vessels requiring a statutory radio survey should contact a Panel Radio Surveyor to arrange this survey. Contact details and the scope of authorisation for each Panel Radio Surveyor are set out in the annex to this notice.

On completion of a survey, a radio surveyor from the Panel will endorse the vessel's certificate as appropriate and/or inform the Marine Survey Office (MSO) regarding the issue of any required statutory certificate to the vessel. The MSO will not issue statutory certificates to vessels that have not completed the required statutory radio survey.

Operators of cargo vessels requiring a radio survey (RO) should contact the vessel's Recognised Organisation (RO) to utilise the RO's radio survey services.

Providers of radio survey services wishing to be included in the Panel of Radio Surveyors should refer to [Marine Notice No.63 of 2023](#) and contact the MSO accordingly.

The contact details for the Panel of Surveyors are also available on the [Department's website](#).

Note: Marine Notices are issued purely for maritime safety and navigation reasons and should not be construed as conferring rights or granting permissions.

Irish Maritime Administration,
Department of Transport
Leeson Lane, Dublin 2, D02 TR60, Ireland.
