Energy Consultation

Submission to consultation on energy security

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Dear Dept of Environment,

Please find below my submission to the consultation "Review of the security of energy supply of Ireland's electricity and natural gas systems".

Any planned energy security infrastructure must align with Ireland's climate obligations. With this in mind, I would urge abandoning our anti-nuclear power generation stance. I strongly feel that we do not have the time for this any more.

Yours sincerely,
