

# Angling Consultative Council Ireland (ACCI)

## Programme for 2023

- ACCI will continue meeting at regular intervals during the year from March 2023.
- DECC intends to continue to submit draft policy papers at meetings. These will form the basis of the planned policy statement on inland fisheries.

Other policy and general discussions in 2023 to be considered by the Group:

- Western Lakes Management Plan
- NASCO preparation
- River Basin Management Plan
- Barriers Mitigation Programme
- Habitat Protection
- Tuna CHART
- Maritime Area Regulatory Authority
