Notes

UBU Your Place Your Space – is a single youth funding scheme that targets disadvantaged young people with evidence informed interventions and services that will secure good outcomes.

UBU Your Place Your Space provides funding to over 250 targeted youth services across 16 Education and Training Boards. This fund replaces funding previously provided under the Targeted Youth Funding Scheme and the Revised Youth Funding Scheme (see below).

It became operational on 1 July 2020. Funded organisations support young people who are marginalised, disadvantaged, or vulnerable. (For further information see – www.ubu.gov.ie)

Youth Services Grant Scheme - Funding is made available on an annual basis to 30 national and major regional voluntary organisations. The continued funding of voluntary youth organisations through the Scheme is intended to ensure the emergence, promotion, growth and development of youth organisations with distinctive philosophies and programmes aimed at the social education of young people.

Youth Information Centres – This scheme funds 21 Youth Information Centres. The purpose of these Centres is to provide young people with access to information on rights, opportunities, benefits, health, welfare and other matters.

Targeted Youth Funding Scheme - transitional funding scheming bridging the time period between the consolidation of the previous funding streams, i.e. Special Projects for Youth, Young People's Facilities and Services Fund 1 &2 and the Local Drug Task Force projects, and the start of the operational phase of UBU Your Place Your Space.

Youth Organisations in receipt of National Lottery funding in 2021 & 2022 & 2023
