Petition Organisers as Data Controllers are required to confirm in their submission that:

a) All individuals whose personal data is provided in the Petition have consented to the processing of their personal data by the Petition Organiser and the Department (as outlined in our Privacy Statement above),

Or

b) That you otherwise have a legal basis (please specify) for providing such personal data to the Department for the purposes of participation in this consultation.

Decision on specific prospecting activities

The Minister has assessed the exploration project proposed by the company and has determined that the activities are not likely to have a significant effect on the environment.

Company Tancred Resources Ltd

PLA **3559 and 3560**

Activity

Mineral exploration involving desk studies, prospecting, geochemical surveying, and drilling.

Environmental Considerations

Desk studies, prospecting, and geochemical surveying are temporary, non-intrusive activities, involving minimal disturbance and have a limited zone of influence. These activities are not likely to have a significant effect on the environment.

If a proposed activity is at, or in the vicinity of a Natura 2000 site, the activity will be subject to a separate screening assessment.

If diamond drilling is undertaken, this activity will be subject to an individual screening assessment.

European Sites Determination

A screening determination has been carried out for the project. Particular attention has been paid to the European Sites listed below:

1. River Barrow and River Nore SAC (Site code 002162)
2. Thomastown Quarry SAC (Site Code 002252)

It has been determined that the project does not have the potential for significant effects on any European Site and the activities are not likely to have a significant effect on the Natural Heritage Area (NHA) or proposed Natural Heritage Areas (pNHA) listed below.

1. Red Bog, Dungarvan pNHA (Site Code 000846)
