

**Department of the Environment, Climate and Communications**

**2023 Q1, Q2 Q3 & Q4 AIE Disclosure Log of non-personal Access to Information on the Environment Requests**

AIE No.	Requester	Date and Details of Request Received	Decision	Date Released
AIE2023159	Journalist	<p>13/12/2023</p> <p>copies of any records held referring or relating to an investigation carried out by the Guardian newspaper into safety risks at Sellafield nuclear power station and waste storage. This request to cover the period 1 Nov to date.</p> <p>On 14/12/2023 clarification received that the request to cover the period 1 Nov 2023 to date.</p>	Part Granted	12 February 2024
AIE2023158	Journalist	<p>11/12/2023</p> <ul style="list-style-type: none"> <li>• Any assessments, reports, memos or briefings that include details about the real-world emissions, climate, environmental, air quality impacts and/or sustainability from the burning of biomass material at Edenderry power station. Please include both Departmental documents and those received from Bord na Mona and/or other external organisations.</li> <li>• Any assessments, reports, memos or briefings about the real-world emissions, climate, environmental or air quality impacts in the country(ies) of origin of biomass material used at Edenderry power station Please include both Departmental documents and those received from Bord na Mona and/or other external organisations.</li> <li>• Any meetings with, or correspondence with, Bord na Mona (and/or any Bord na Mona subsidiaries) about biomass used at Edenderry power station, including but not limited to subjects such as the type of biomass used, how it is harvested, the country of origin, sustainability certification, and/or sustainability criteria, and/or real-world emissions from the harvesting and/or burning of the biomass materials used at Edenderry Power Station.</li> </ul>	Deemed Refused (No reply issued)	26 February 2024

AIE202315 7	Journalist	<p>11/12/2023</p> <ul style="list-style-type: none"> <li>• Minutes of the meetings of the Climate Action Delivery Board held on 15 February 2023, 23 June 2023, and 26 October 2023.</li> <li>• Copies of any presentations delivered at any of the above meetings.</li> <li>• Agenda of the meeting of the Delivery Board scheduled to be held this month.</li> <li>• Copies of any reports or briefing documents prepared by or for members of the Climate Action Delivery Board about items to be discussed at the meeting scheduled to be held this month.</li> <li>• Any documents outlining any recommendations made by the Delivery Board to the Cabinet Committee on the Environment and Climate Change on measures required to overcome any barriers or impediments to the implementation of climate policies since 1 October 2023-present</li> </ul>	Transferred	14 December 2023
AIE202315 6	Journalist	<p>01/12/2023</p> <p>Under the AIE regulations, I wish to request the following from 1 October 2023-present:</p> <ul style="list-style-type: none"> <li>• Minutes of any meetings of the Security of Supply Steering Group</li> <li>• Minutes of any meetings of the individual Working Groups or Pillar groups within the Security of Supply Steering Group set-up</li> <li>• The most-up-to-date update or progress report from the overall Steering Group work and/or for each of the Security of Supply Steering Group Pillars</li> <li>• The most recent or up-to-date briefing document for senior management and/or ministerial level about the security of supply risk this winter (including risk of the electricity grid being disrupted, red or amber alerts, blackouts, etc).</li> </ul> <p>On 04/12/2023, clarification received that the request is for the Department's Energy Security Emergency Group.</p>	Refused	22 December 2023

AIE202315 5	Member of the Public	<p>30/11/2023</p> <p>Requesting the records from Fingal County Council (FCC) in relation to the notification given to them by Dublin Airport Authority (DAA) on their discontinuation use of Aqueous Film Forming Foam (AFFF), commonly described by Environment Protection Agency (EPA) as the FOREVER CHEMICAL.</p> <p>Records for the disposal of AFFF compound by DAA in compliance to statutory regulations, the records for tests undertaken by DAA scientific testing partners in relation to Perfluoroalky and Polyfluoroalky substances known as PFAs in the streams and soil on the property of DAA.</p>	Closed	05 January 2024
AIE202315 4	Business/Interes t Group	<p>27/11/2023</p> <p>A list of all communication (be they documents, correspondence, meeting minutes, pieces of paper) involving the Geoscience Regulation Office and Flintridge Resources Limited between 6th of December 2022 and the 27 of November 2023</p>	Part Granted	21 December 2023
AIE202315 3	Member of the Public	<p>21/11/2023</p> <p>Specifically, I am looking for any economic impact or environmental impact evaluations of activities funded under:</p> <ul style="list-style-type: none"> <li>- Energy Poverty Efficiency Upgrades funded by the carbon tax revenues</li> <li>- Ireland’s national Just Transition Fund which is funded by carbon tax revenues</li> <li>- The ODA – Green Climate Fund contributions earmarked from carbon tax revenues.</li> </ul> <p>On 23/11/2023 request amended to:</p> <p>Specifically, I am looking for any economic impact or environmental impact evaluations of activities funded under:</p> <ul style="list-style-type: none"> <li>- Energy Poverty Efficiency Upgrades funded by the carbon tax revenues</li> <li>- The ODA – Green Climate Fund contributions earmarked from carbon tax revenues.</li> </ul>	Part Granted	20 December 2023

AIE202315 2	Journalist	<p>15/11/2023</p> <p>copies of the following records under the Access to Information on the Environment (AIE) regulations for the following to cover the period since the Offshore Wind Delivery Taskforce (OWDT) was founded</p> <ul style="list-style-type: none"> <li>• The minutes of meetings held to date - including meetings of individual workstreams</li> <li>• The most recent report from each workstream on progress to date:</li> </ul>	Granted	14 December 2023
AIE202315 1	Journalist	<p>13/11/2023</p> <p>Under the AIE Regs to request the following:</p> <ol style="list-style-type: none"> <li>1. Letter from Mr. Geoff Meagher, Chairman Bord na Móna plc. to Mr. Denis Naughten TD, Minister for Communications, Climate Action and Environment, Chairperson's Comprehensive Report, 27th June 2018</li> <li>2. Letter from Mr. Mr. Geoffrey Meagher, Chairman Bord na Móna plc. to Mr. Richard Bruton TD, Minister for Communications, Climate Action and Environment, Chairperson's Interim Report, 30th November 2018</li> <li>3. Letter from Mr. Tom Donnellan, Managing Director, Bord na Móna plc. to Mr. Richard Bruton TD, Minister for Communications, Climate Action and the Environment, 21st December 2018</li> <li>4. Letter from Mr. Tom Donnellan, Managing Director, Bord na Móna plc. to Mr. Mark Griffin, Secretary General, Department for Communications, Climate Action and the Environment, 11th February 2019</li> <li>5. Any related letters, email or correspondence between the Board members of Bord na Mona and Dept at Minister or Sec Gen level that mention the term "biomass" between 27th June 2018 and today's date</li> </ol>	Refused	12 January 2024
AIE202315 0	Journalist	<p>31/10/2023</p> <p>Correspondence and meeting minutes between the Department of the Environment, Climate and Communications and Bord na Móna where drainage from the site of the proposed Derryadd wind farm site - namely the cutaway peatlands of Derryadd, Derryaroge and Lough Bannow bogs in south Co. Longford.</p>	Part Granted	29 November 2023

AIE202314 9	Journalist	31/10/2023  Briefings to ministers/senior management of the Department of the Environment, Climate and Communications about Bord na Móna drainage activity at the site of the proposed Derryadd wind farm site - namely the cutaway peatlands of Derryadd, Derryaroge and Lough Bannow bogs in south Co. Longford	Part Granted	29 November 2023
AIE202314 8	Member of the Public	31/10/2023  All Environmental reports both internal and externally produced relating to the groundwater protection zone of the Toomevara (also spelt Toomyvara) Water Supply scheme e.g., Geological Survey Ireland (GSI) reports from 2000 to date to include specifically but not limited to: (i) All monitoring reports on the Groundwater Protection Zone including: (a) GSI field mapping and testing (b) Aquifer vulnerability and datasets (c) Aquifer source protection datasets (d) Results of the regular monitoring recommended by GSI in its report dated January 2021  (ii) Ground water protection zone maps including : (a) details and maps of the Outer Protection Area of the Toomevara Water Supply Scheme. (b) Details and maps of the Zone of Contribution of the Toomevara Water Supply Scheme. (c) Groundwater protection responses for existing and new potentially polluting activities. (iii) The Guidelines for dealing with spillages along the roads in the areas which GSI recommended be drawn up in its report dated January 2002	Granted	28 November 2023
AIE202314 7	Journalist	26/10/2023  The most recent or up-to-date internal assessment, analysis or briefing paper about Ireland's EV charging and/or infrastructure network • The most recent or up-to-date internal assessment, analysis or briefing paper about Ireland's EV vehicle target for 2030	Refused	24 November 2023

AIE202314 6	Journalist	<p>26/10/2023</p> <p>for copies of the following records from 1 January 2013-present:</p> <ul style="list-style-type: none"> <li>• In tabular form, a list of all individual cases of accidental oil and/or gas releases reported by oil and gas operators, other private entities, State bodies, or semi-states, to include: <ul style="list-style-type: none"> <li>o the amount of spill in tonnes (or other measurement if already compiled);</li> <li>o the reason for the spill (e.g. equipment failures, damage, or human error);</li> <li>o the name of any impacted marine, freshwater or land-based protected nature sites (national, EU and/or UN protections); and</li> <li>o an estimate of the area (hectare, acre or m3) of the protected areas impacted</li> </ul> </li> </ul>	Withdrawn	01 November 2023
AIE202314 5	Journalist	<p>26/10/2023</p> <ul style="list-style-type: none"> <li>• Any briefings for Minister Ryan in relation to the recent decision to keep Moneypoint power station open until 2029.</li> <li>• Any internal analysis, assessment, report or memo about the recent decision to keep Moneypoint power station open until 2029 and impact on emissions levels, climate targets and/or compliance with EU emissions standards.</li> </ul>	Part Granted  Deemed Refused	27 November 2023
AIE202314 4	Journalist	<p>25/10/2023</p> <ul style="list-style-type: none"> <li>• Minutes and/or presentations from any meetings with Eirgrid and/or the CRU in relation to the results of RESS 3.</li> <li>• Any assessments, analysis or briefing notes/papers about the potential impact from the RESS 3 results on future targets for renewables on the grid.</li> </ul>	Part Granted	24 November 2023

AIE202314 3	Journalist	<p>25/10/2023</p> <ul style="list-style-type: none"> <li>• A copy of the final report from the review of Mr Dermot McCarthy into the circumstances requiring emergency measures to be introduced to secure electricity supply.</li> <li>• A copy of all submissions received for the McCarthy review.</li> </ul>	Refused	21 November 2023
AIE202314 2	Journalist	<p>25/10/2023</p> <p>I wish to make a request – under the Access to Information on the Environment Regulations - for copies of the following to cover the period 1 September 2023-present:</p> <ul style="list-style-type: none"> <li>• Any post-meeting debriefing reports, briefing papers or memos from Sinead Walsh and/or Caoimhe Sweeney following the climate action summit in New York in September 2023</li> <li>• Any reports, briefing papers or memos to senior management (Ass Sec General and Above) and/or Ministerial level about the Department's or Ireland's position on Loss and Damage for COP28</li> </ul>	Refused	24 November 2023
AIE202314 0	Member of the Public	<p>19/10/2023</p> <p>Records showing compliance with the requirements of Regulation 31 of the European Communities (Natural Habitats) Regulations 1997 (S.I. No. 94 of 1997) i.e., appropriate assessment screening, for the Western Fisheries Region – River Cong and Cong Canal (Trout Angling) Bye-Law No. C.S. 299, 2008 and the Western Fisheries Region – (Rivers Finny, Cong and Cong Canal) Bye-Law No. C.S. 298, 2008.</p>	Refused	17 November 2023

AIE202313 9	Member of the Public	<p>18/10/2023</p> <p>Records of scientific observations submitted to the Department by both the Marine Institute and the now defunct Central Fisheries Board regarding the formulation of the North Western Fisheries Region - Lough Conn and Lough Cullin (Conservation of Brown Trout) Bye-law No.827, 2007 i.e part of River Moy SAC.</p>	Granted	17 November 2023
AIE202313 8	Journalist	<p>28/09/2023</p> <p>I wish to make a request – under the AIE Regulations – for the following to cover the period 1 January 2023-present:</p> <ul style="list-style-type: none"> <li>• Copies of correspondence from; meeting minutes with; and/or requests for, or invitations to, the Minister or senior departmental officials to meet with fossil fuel industry companies or reps (lobbying groups, business bodies, coalitions and/or PR groups) for fossil fuel industry companies in relation to COP28.</li> <li>• Any submissions to the EU toward the EU's NDC that is due to be updated.</li> <li>• Any submissions to the UN or EU on progress made on emissions reduction commitments as per requirements for the Global Stocktake</li> </ul> <p>*In all the above, please exclude all correspondence that directly concerns the setting up or organising of physical or virtual meetings.</p>	Part Granted	27 October 2023
AIE202313 7	Journalist	<p>27/09/2023</p> <p>Any internal reports and/or briefing papers for Ministers or senior officials (Ass Sec and above) about suspected, alleged or confirmed illegal or unauthorised peat extraction;</p> <p>Any internal assessments, reports and/or briefing papers for Ministers or senior officials (Ass Sec and above) about exports of peat in general or by any of the following - Harte Peat, Klamann Deilmann, Westland, Bulrush, Bord na Mona;</p> <p>*In all the above, please exclude all correspondence that directly concerns the setting up or organising of physical or virtual meetings.</p>	Granted	26 October 2023

AIE202313 6	Journalist	<p>27/09/2023</p> <p>I wish to make a request – under the AIE Regulations – for the following. In a recent letter, DG Clima said that, as a consequence of the Joint Research Centre review of the Irish 2023 NIR, they have requested Ireland “prioritize the use of a more accurate method of reporting emissions” from grasslands and to assess GHGs from organic grassland soils as Tier II.</p> <p>Furthermore, Ireland states in our NIR 2023 (pg 262): “emission and management factors associated with the drainage of organic soils... is currently being assessed, the results of which will be integrated with emissions and removal estimates for the grassland land use.”</p> <ul style="list-style-type: none"> <li>• The most up-to-date internal report and/or briefing document that examines emissions and removal estimates from organic grassland soils using Tier II methods.</li> <li>• Correspondence (including attachments) and meeting minutes with DG Clima and/or the EPA in relation to this above request from DG Clima.</li> <li>• A copy of the Commission’s Joint Research Centre review of the Irish 2023 NIR</li> </ul> <p>*In all the above, please exclude all correspondence that directly concerns the setting up or organising of physical or virtual meetings.</p>	Refused	27 September 2023
AIE202313 5	Journalist	<p>27/09/2023</p> <p>Correspondence (including attachments) with xxxx xxxx, Ethanol Europe, about concerns over biofuel fraud, and any subsequent internal departmental correspondence about the concerns raised, to cover 1 January 2020-present;</p> <ul style="list-style-type: none"> <li>• Terms of Reference for the working group to address the potential risk or vulnerability to biofuel fraud as mentioned here;</li> <li>• Any briefing papers or reports prepared for, or supplied to, the working group to date</li> </ul>	Part Granted	14 November 2023

		<p>*In all the above, please exclude all correspondence that directly concerns the setting up or organising of physical or virtual meetings.</p> <p>On 03/10/2023 the request was refined to:</p> <ul style="list-style-type: none"> <li>• Any internal research or policy reports, assessments and/or ministerial briefings in relation to the potential risk or vulnerability to biofuel fraud or direct allegations of biofuel fraud, to cover 1 January 2020 - 1 January 2021.</li> <li>• Correspondence (including attachments) with James Cogan, Ethanol Europe, about concerns over biofuel fraud, and any subsequent internal departmental correspondence about the concerns raised, to cover 1 January 2020 - 1 January 2021</li> </ul> <p>On 10/10/2023, the scope of the request was reduced to the set of email addresses of personnel working in the specific field and associated decision making.</p>		
AIE202313 4	Member of the Public	<p>26/09/2023</p> <p>Specifically, this request pertains to the information relevant to the Wind Energy Development Guidelines (WEDG) review, as initiated by the Department of the Environment, Climate and Communications through a tender request released in February 2023. In your tender document, it is noted that there have been substantial changes in both international and national "POLICY" context concerning renewable electricity, particularly in reference to Response 25 of the National Energy Security Framework and the requirements stipulated in the Climate Action Plan 2023. Response 25 of the National Energy Security Framework specifically requires the alignment of all facets of the planning system to fully support the rapid development of renewable energy. It is important to highlight that both of these statements are policy-driven declarations.</p> <p>I kindly request the following information:</p> <ol style="list-style-type: none"> <li>1. Any departmental documents proposing the review of the 2019 WEDG.</li> <li>2. Minutes of meetings where the decision to proceed with the review was ratified.</li> <li>3. Any pertinent information that led to the initiation of this review process.</li> </ol>	Refused	17 October 2023

AIE202313 3	Member of the Public	<p>21/09/2023</p> <p>Records of any correspondence, reports, or consultation submissions lined to the lobbying carried out by SSE plc in relation to low carbon flexible power generation between 01/05/2023 and 31/08/2023, as recorded in the lobbying return details - <a href="https://www.lobbying.ie/return/102680/sse-plc">https://www.lobbying.ie/return/102680/sse-plc</a></p> <p>On 04/10/2023 the text was amended to: Records of any correspondence, reports, or consultation submissions linked to the lobbying carried out by SSE plc in relation to low carbon flexible power generation between 01/05/2023 and 31/08/2023, as recorded in the lobbying return details - <a href="https://www.lobbying.ie/return/102680/sse-plc">https://www.lobbying.ie/return/102680/sse-plc</a></p> <p>On 10/10/2023 the request was amended to Records of any correspondence, reports, or consultation submissions linked to the lobbying carried out by SSE plc as recorded in the lobbying return details - <a href="https://www.lobbying.ie/return/102680/sse-plc">https://www.lobbying.ie/return/102680/sse-plc</a></p>	Granted	20 October 2023
AIE202313 2	Journalist	<p>30/08/2023</p> <p>a copy of the McCarthy report into the circumstances requiring emergency measures to be introduced to secure electricity supply over the coming winters. Please note that the emissions override in the regulations applies to this report given its contents.</p>	Refused	29 September 2023
AIE202313 1	Member of the Public	<p>22/08/2023</p> <p>I request the following information which is non-personal in nature: "All Shapefiles associated with Observe 2 Study data".</p>	Granted	21 September 2023

AIE2023130	Member of the Public	<p>23/08/2023</p> <p>I request the following information from the Department of the Environment, Climate Action and Communications, under the European Communities (Access to Information on the Environment) Regulations 2007 to 2018, records showing compliance with the requirements of Regulation 31 of the European Communities (Natural Habitats) Regulations 1997 (S.I. No. 94 of 1997) i.e. appropriate assessment screening, for the North Western Fisheries Region - Lough Conn and Lough Cullin (Conservation of Brown Trout) Bye-law No.827, 2007.</p>	Refused	22 September 2023
AIE2023129	Journalist	<p>22/08/2023</p> <p>All records relating to Letters, Emails, Meeting, Phone calls and Informal communications between the department and Coillte CGA relating to the following lobbying return:</p> <p><a href="https://www.lobbying.ie/return/97806/coillte-cga">https://www.lobbying.ie/return/97806/coillte-cga</a></p> <p>I would like to receive this information electronically and in the original language without translation.</p>	Refused	21 September 2023
AIE2023128	Member of the Public	<p>18/08/2023</p> <p>All environmental information, including correspondence in relation to the proposed signalling upgrade of the Cork Commuter Rail Network</p> <p>All environmental information in relation to the Air and Noise baseline levels at the Kent Station or environs</p> <p>All environmental assessment documentation, including email or other correspondence in relation to the above-named works including Appropriate Assessment or any correspondence in which this is discussed.</p>	Refused	15 September 2023

AIE202312 7	Member of the Public	16/08/2023  I request the following information from the Department of the Environment, Climate Action and Communications, under the European Communities (Access to Information on the Environment) Regulations 2007 to 2018, records of the Appropriate Assessment Screening as required under the EU Habitats Directive for the draft Galway District – Conservation of Trout in the Rivers Clare, Abbert, Dalgan, Grange and Sinking Bye-law No. XXX, 2023.	Refused	14 September 2023
AIE202312 6	Journalist	10/08/2023  All correspondence, emails, letters and records of meetings etc between the Department of Environment, Climate and Communications and the Department of Agriculture in relation to water quality and nitrates derogations from 01 May 2023 to 09 August 2023. I would prefer to receive this information electronically.	Refused	08 September 2023
AIE202312 5	Journalist	10/08/2023  all correspondence, emails, letters and records of meetings etc between the Department of Environment, Climate and Communications and the EPA in relation to water quality and nitrates derogations from 01 May 2023 to 09 August 2023. I would prefer to receive this information electronically.	Refused	08 September 2023
AIE202312 4	Journalist	10/08/2023  all correspondence, emails, letters and records of meetings etc between the Department of Environment, Climate and Communications and Teagasc in relation to water quality and nitrates derogations from 01 May 2023 to 09 August 2023. I would prefer to receive this information electronically.	Refused	08 September 2023

AIE202312 3	Member of the Public	09/08/2023  all records relating to the decision to grant a licence to Microsoft for the construction of a gas power plant adjacent to their data centre in Tallaght, Co. Dublin.	Refused	08 September 2023
AIE202312 2	Member of the Public	27/07/2023  Correspondence between the Department of Environment, Climate, and Communications in the form of emails or reports and any industrial lobbying organisations in relation to the recently published National Hydrogen Strategy; minutes of any meetings held between the Department of Environment, Climate, and Communications and any industrial lobbying groups in relation to the recently published National Hydrogen Strategy; correspondence between the Department of Environment, Climate and Communications in the form of emails or reports and Gas Networks Ireland in relation to the recently published National Hydrogen Strategy; minutes of any meetings held between Department of Environment, Climate and Communications Gas Networks Ireland in relation to the recently published National Hydrogen Strategy.	Part Granted	24 August 2023
AIE202312 1	Journalist	27/07/2023  As part of the European journalist team Investigate Europe, I am researching, together with colleagues how EU countries can become more independent when it comes to critical raw materials.  With this in mind, I am trying to get an overview of current or planned mining and exploration activities in Europe.  Please provide me with all exploration permits and exploitation concessions existing in Ireland for Critical Raw Materials (as defined in the proposal by the European Commission for a Critical Raw Materials Act). These raw materials are:  Antimony, Arsenic, Baryte, Bauxite, Beryllium, Bismuth, Boron/Borate, Cobalt, Coking Coal, Copper, Feldspar, Fluorspar, Gallium, Germanium, Hafnium, Heavy rare earth elements, Helium, Light rare earth elements, Lithium, Magnesium, Manganese, Natural	Withdrawn	01 August 2023

		<p>Graphite, Nickel, Niobium, Phosphate Rock, Phosphorus, Platinum Group Metals, Scandium, Silicon Metal, Strontium, Tantalum, Titanium Metal, Tungsten and Vanadium.</p> <p>I would be pleased if you could provide me with an overview including when the permit or concession was issued, the names of the companies involved and the location of the project.</p>		
AIE2023120	Member of the Public	<p>10/07/2023</p> <p>I refer to this report in the Irish Examiner <a href="https://www.irishexaminer.com/news/arid-41179588.html">https://www.irishexaminer.com/news/arid-41179588.html</a> The report says.</p> <p>“Meanwhile, in his letter, Mr Fanning noted that the section of the Bill dealing with judicial review, which has proven one of its most controversial components, still presents “significant policy and legal issues”, as evidenced by a report on the matter prepared by the Department of the Environment.”</p> <p>I would be obliged to receive a copy of this report in electronic format via AIE.</p>	Refused	09 August 2023
AIE2023119	Member of the Public	<p>30/06/2023</p> <p>I am particularly interested in obtaining information related to the former Village Park located in Shannonvale Clonakilty, Co. Cork and the elements and factors of the environment that may be affected by its waste water and sewerage system. As defined under Article 3.1 of the aforementioned regulations, the scope of environmental information includes, but is not limited to, the following:</p> <p>a. The state of the elements of the environment, such as air and atmosphere, water, soil, land, landscape, and natural sites, including wetlands, coastal and marine areas, biological diversity and its components, including genetically modified organisms, and the interaction between these elements.</p>	Refused	28 July 2023

		<p>b. Factors, such as substances, energy, noise, radiation or waste, including radioactive waste, emissions, discharges, and other releases into the environment affecting or likely to affect the elements of the environment.</p> <p>c. Measures (including administrative measures), such as policies, legislation, plans, programmes, environmental agreements, and activities affecting or likely to affect the elements and factors referred to in paragraphs (a) and (b) as well as measures or activities designed to protect those elements.</p> <p>d. Reports on the implementation of environmental information.</p> <p>e. Cost-benefit and other economic analyses and assumptions used within the framework of measures and activities referred to in paragraph (c).</p> <p>f. The state of human health and safety, including the contamination of the food chain, where relevant, conditions of human life, cultural sites, and built structures in-as-much as they are, or may be, affected by the state of the elements of the environment referred to in paragraph (a) or, through those elements, by any of the matters referred to in paragraphs (b) and (c).</p> <p>I kindly request that you provide me with the following information:</p> <p>Detailed reports, assessments, or studies related to the waste water and sewerage system in the former Village Park in Shannonvale, including any impacts on the elements of the environment mentioned above.</p> <p>Any monitoring data, measurements, or records related to the quality of air, water, soil, or other relevant environmental indicators within the vicinity of the former Village Park.</p> <p>Environmental impact assessments or reports conducted in relation to the waste water and sewerage system in the former Village Park, including any findings or recommendations.</p> <p>Correspondence, reports, or memos between relevant government departments, agencies, or local authorities concerning the waste water and sewerage system in the former Village Park, specifically focusing on any environmental considerations.</p>

------------	-------------------------	---	--------------	--------------

AIE202311 7	Member of the Public	15/06/2023  I am requesting copies of any communication from the Department of Transport with developers Fuinneamh Sceirde Teoranta (FST) and/or Corio Generation regarding all foreshore license applications or assessments having to do with the proposed Sceirdre Rocks Offshore Wind Farm.	Withdrawn	19 June 2023
AIE202311 6	Member of the Public	15/06/2023  I am requesting the Marine Mammal Observer reports that were done for the geophysical marine surveys detailed in Marine Notice 40 of 2022 ( <a href="https://www.gov.ie/pdf/?file=https://assets.gov.ie/227697/c22f6481-e75f-4fbb-ae86-21e4105817e5.pdf#page=null">https://www.gov.ie/pdf/?file=https://assets.gov.ie/227697/c22f6481-e75f-4fbb-ae86-21e4105817e5.pdf#page=null</a> ) and Marine Notice 36 of 2022 ( <a href="https://www.gov.ie/pdf/?file=https://assets.gov.ie/226750/03d73b9f-d8b8-4197-8201-983f12a5eb2b.pdf#page=null">https://www.gov.ie/pdf/?file=https://assets.gov.ie/226750/03d73b9f-d8b8-4197-8201-983f12a5eb2b.pdf#page=null</a> ).	Withdrawn	19 June 2023
AIE202311 5	Member of the Public	15/06/2023  I am requesting copies of the Foreshore License Applications and any associated Gov't assessments for the geophysical marine surveys detailed in Marine Notice 40 of 2022 ( <a href="https://www.gov.ie/pdf/?file=https://assets.gov.ie/227697/c22f6481-e75f-4fbb-ae86-21e4105817e5.pdf#page=null">https://www.gov.ie/pdf/?file=https://assets.gov.ie/227697/c22f6481-e75f-4fbb-ae86-21e4105817e5.pdf#page=null</a> ) and Marine Notice 36 of 2022 ( <a href="https://www.gov.ie/pdf/?file=https://assets.gov.ie/226750/03d73b9f-d8b8-4197-8201-983f12a5eb2b.pdf#page=null">https://www.gov.ie/pdf/?file=https://assets.gov.ie/226750/03d73b9f-d8b8-4197-8201-983f12a5eb2b.pdf#page=null</a> ).	Withdrawn	19 June 2023
AIE202311 4	Journalist	13/06/2023  Under the AIE Regulations, I am seeking the following records which were mentioned in FOI2023102: Rec no: FOI2023102_1 which is described as a 'Summary of Energy Council meeting'. The date of record is 28/03/23.	Part Granted	11 July 2023

		<p>Rec no: FOI2023102_2 which is described as a 'briefing note for cabinet committee on security supply. The date of record is 20/02/23.</p> <p>Rec no: FOI2023102_3 which is described as a letter from Bord Gais to Minister Ryan (Taoiseach, Tanaiste, Secretary General of DECC, Special Advisor to An Taoiseach and Special Adviser to the Tanaiste cc'd). The date of the record is 03/03/2023.</p>		
AIE2023113	Member of the Public	<p>05/06/2023</p> <p>I request the following information which is non-personal in nature: "All Shapefiles associated with Observe Study data".</p>	Granted	01 August 2023
AIE2023112	Journalist	<p>08/06/2023</p> <p>Under the AIE Regs to request details of records received by the Dept under the following tender for services: Provision of a detailed scientific assessment of peat land landslides in Leitrim, Kerry and Donegal Services RFT30112020</p> <p>RTK would like to resubmit this AIE. We understand the report was completed by end of Qtr1, and there is an intention to publish in Qtr2. Obviously, publication meets the requirements of the AIE Regs, and we can withdraw request if report is released outside the Regs. Clarification received on 16/06/2023: the AIE is for the draft report, as of date of AIE. Not the completed report, as I'm aware it's not complete.</p>	Refused	05 July 2023
AIE2023111	Journalist	<p>07/06/2023</p> <p>1. Copies of any reports, assessments, field research reports and/or audits that concerned (in full or partly) the sustainability (in terms of environmental, air quality and/or climate impacts) of Bord na Mona's biomass imports for use at its power stations</p>	Refused	05 July 2023

		<p>2. The agenda and minutes of any meetings with Bord na Mona representatives at which imported and/or domestic biomass were discussed</p> <p>In all the above, please exclude all correspondence that directly concerns the setting up or organising of physical or virtual meetings.</p> <p>I wish to request the above information to be sent to me in electronic format (and in a searchable format where possible) within 20 working days as outlined by the statute.</p>		
AIE2023110	Member of the Public	<p>26/05/2023</p> <p>1. Departmental document proposing review of 2019 WEDG</p> <p>2. Minutes of meeting signing off on the review.</p>	Refused	18 July 2023
AIE2023109	Business/Interest Group	<p>26/05/2023</p> <p>1.1 All environmental information, created on or after 9 April 2021, relating to or referencing DECC's, the Minister of the Environment, Climate &amp; Communications (the Minister) and any officials, servants or agents of DECC or the Minister, consideration of our Client's Lease Undertaking application dated 9 April 2021 (the LU Application).</p> <p>1.2 All environmental information, created on or after 9 April 2021, relating to or referencing the financial capability assessment, which was carried out by DECC, the Minister or their respective officials, servants or agents.</p> <p>1.3 All environmental information, created, prepared and/or shared by any of DECC's external advisors, on or after 9 April 2021 relative to the LU Application including but not limited to EY, in respect of this assessment.</p> <p>1.4 All environmental information, created on or after 9 April 2021, relating to or referencing how DECC or the Minister or their respective officials, servants or agents concluded that Exola DAC did not meet the Investment Cover criterion as required by the Financial Capability Assessment Guidance.M-70178633-2 2</p>	Part Granted	25 July 2023

		<p>1.5 All environmental information, created on or after 9 April 2021, relating to or referencing how DECC or the Minister or their respective officials, servants or agents engaged with details of our Client's funding arrangement with Vevan Unlimited Company and our client's ability to fund the Work Programme associated with the LU Application.</p> <p>1.6 All environmental information, created on or after 9 April 2021, relating to or referencing how DECC or the Minister or their respective officials, servants or agents concluded that Lansdowne Celtic Sea Limited failed to meet the required threshold for the Investment Cover ratio, Cash Cover Ratio and Current Ratio.</p> <p>Please provide us with the above records which were created on or after 9 April 2021 and up to the date of the decision dated 19 May 2023, in searchable electronic format where available and otherwise in paper format. Without limiting the generality of our request, these records should include the following:</p> <p>A. Notes, memoranda, documents, files or correspondence.</p> <p>B. 		<p>Question on Environmental Report</p> <p>Was An Environmental Report prepared containing all relevant information, as a result of An Environmental Assessment, as set out in Directive 2001/42/EU in relation to plans and programs proposed to implement the Irish Offshore wind Energy Generation Program.</p> <p>Extracts from European Directives and Decisions of and ECJ Decisions. Particularly <b>C-24/19</b></p> <p>(10) The definition of environmental information should be clarified so as to encompass information <b>in any form</b> on the state of the environment, on factors, measures or activities affecting or likely to affect the environment or designed to protect it, <b>on cost-benefit and economic analyses used within the framework of such measures</b> or activities and also information on the state of human health and safety, including the contamination of the food chain, conditions of human life, cultural sites and built structures in as much as they are, or may be, affected by any of those matters.</p> <p>(12) Environmental information which is physically held by <b>other bodies on behalf of public authorities</b> should also fall within the scope of this Directive.</p> <p>14) Where an assessment is required by this Directive, an environmental report should be prepared containing relevant information as set out in this Directive, identifying, describing and evaluating the likely significant environmental effects of implementing the plan or programme, and reasonable alternatives taking into account the objectives and the geographical scope of the plan or programme; Member States should communicate to the Commission any measures they take concerning the quality of environmental reports.</p> <p>Article 5</p> <p><b>Environmental report</b></p> <ol style="list-style-type: none"> <li>1. Where an environmental assessment is required under Article 3(1), an environmental report shall be prepared in which the likely significant effects on the environment of implementing the plan or programme, and reasonable alternatives taking into account the objectives and the geographical scope of the plan or programme, are identified, described and evaluated. The information to be given for this purpose is referred to in Annex I.</li> <li>2.</li> </ol>		
--	--	--	--	--

		<p>ANNEX I</p> <p>Information referred to in Article 5(1)</p> <p>The information to be provided under Article 5(1), subject to Article 5(2) and (3), is the following:</p> <ul style="list-style-type: none"> <li>(a) an outline of the contents, main objectives of the plan or programme and relationship with other relevant plans and programmes;</li> <li>(b) the relevant aspects of the current state of the environment and the likely evolution thereof without implementation of the plan or programme;</li> <li>(c) the environmental characteristics of areas likely to be significantly affected;</li> <li>(d) any existing environmental problems which are relevant to the plan or programme including, in particular, those relating to any areas of a particular environmental importance, such as areas designated pursuant to Directives 79/409/EEC and 92/43/EEC;</li> <li>(e) the environmental protection objectives, established at international, Community or Member State level, which are relevant to the plan or programme and the way those objectives and any environmental considerations have been taken into account during its preparation;</li> <li>(f) the likely significant effects(1) on the environment, including on issues such as biodiversity, population, human health, fauna, flora, soil, water, air, climatic factors, material assets, cultural heritage including architectural and archaeological heritage, landscape and the interrelationship between the above factors;</li> <li>(g) the measures envisaged to prevent, reduce and as fully as possible offset any significant adverse effects on the environment of implementing the plan or programme;</li> <li>(h) an outline of the reasons for selecting the alternatives dealt with, and a description of how the assessment was undertaken including any difficulties (such as technical deficiencies or lack of know-how) encountered in compiling the required information;</li> <li>(i) a description of the measures envisaged concerning monitoring in accordance with Article 10;</li> </ul>		
--	--	---	--	--

		<p>(j) a non-technical summary of the information provided under the above headings.</p> <p>(1) These effects should include secondary, cumulative, synergistic, short, medium and long-term permanent and temporary, positive and negative effects.</p> <p>Opinion Of The European Court Of Justice In Judgement <b>C-24/19</b></p> <p>To that end, as Article 1 states, the fundamental objective of Directive 2001/42 is to subject plans and programmes that are likely to have significant environmental effects to an environmental assessment during their preparation and <b>before their adoption</b> (judgments of 22 September 2011, <i>Valčiukienė and Others</i>, C-295/10, EU:C:2011:608, paragraph 37, and of 7 June 2018, <i>Thybaut and Others</i>, C-160/17, EU:C:2018:401, paragraph 61 and the case-law cited).</p> <p>It follows that the second indent of Article 2(a) of Directive 2001/42 must be interpreted as meaning that plans and programmes whose adoption is regulated by national legislative or regulatory provisions, which determine the authorities competent to adopt them and the procedure for preparing them, <b>must be regarded as ‘required’ within the meaning, and for the application, of that directive.</b></p> <p><b>Directive 2001/42/EU</b></p> <p>Article 1</p> <p>Objectives</p> <p>The objective of this Directive is to provide for a high level of protection of the environment and to contribute to the integration of environmental considerations into the preparation and adoption of plans and programmes with a view to promoting sustainable development, by ensuring that, in accordance with this Directive, an environmental assessment is carried out of certain plans and programmes which are likely to have significant effects on the environment.</p>

AIE202387	Journalist	01/02/2023  Copies of any records held by the department referring or relating to suggestions by Minister Ryan of a deer cull at various locations around Ireland.	Deemed refused	07/03/2023
AIE202386	Member of the Public	31/01/2023  This AIE request relates to a decision of the Commissioner for Environmental information No OCE-109706-Y8Y0V3 ( <a href="https://www.ocei.ie/decisions/dr-fred-logue-and-an-bord-1/index.xml">https://www.ocei.ie/decisions/dr-fred-logue-and-an-bord-1/index.xml</a> )  In his decision, the Commissioner stated:  49. Given the unusual circumstances of this case, once this decision has been published, I intend to draw it to the attention of the Minister for the Environment, Climate and Communications as it is his Department which is responsible for the implementation and operation of AIE. To the extent that it highlights potential shortfalls in the policies and procedures of ABP with regard to the organisation and maintenance of environmental information, I also intend to draw it to the attention of the Minister for Housing, Local Government and Heritage.  I therefore request the following. (a) Copies of correspondence between your Department and/or Minister and the Commissioner for Environmental Information arising out of the decision referred to above; (b) Copies of any briefing, memo, or other analysis of the issues arising out of this decision; and (c) details of what further steps are envisaged	Granted	16 February 2023
AIE202385	Member of the Public	30/01/2023  I request the following information from the Department of the Environment, Climate Action and Communications, under the European Communities (Access to Information on the Environment) Regulations 2007 to 2018, records of the Appropriate Assessment Screening as required under the EU Habitats Directive for the operation of the Cong Salmon Hatchery by Inland Fisheries Ireland considering its very close proximity to Lough Corrib SAC.	Refused	28 February 2023
