

Data Protection Privacy Notice for the Renewable Transport Fuel Policy Consultation

Part A:

We are fully committed to keeping all personal data submitted to us safe and secure. All necessary technical measures have been put in place to ensure the safety and security of the systems which hold your data.

Being open and transparent in how we process your personal data is important to us and therefore we aim to keep you informed of the purpose(s) for which your personal data will be used and why, where it may be shared elsewhere and why, and how long your data may be held by the Department.

Data Controller and Data Protection Officer

1. The Department of Transport

The Department has its Headquarters in Leeson Lane, Dublin D02 TR60. It has appointed a Data Protection Officer (DPO) for you to contact if you have any questions or concerns around the Department's personal data policies or practices. The Department's DPO contact details are as follows:

2. Data Protection Officer
Department of Transport
Leeson Lane
Dublin D02 TR60

00353 (1) 670 7444

dataprotection@transport.gov.ie

Please contact the DPO with any queries you may have in relation to this privacy notice for the Renewable Transport Fuel Policy Consultation.

Personal data processed by the Department will only be used for the specific purpose(s) as outlined when the data is collected, or in later communications, and will only be used in accordance with the Data Protection legislation in force.

Data Subject Rights

When you provide personal data to us you have certain rights available to you in relation to that data. These rights are outlined below and can be exercised by contacting the Data Protection Officer, as detailed above, indicating which right you wish to exercise:

- The right to be informed
- The right of access
- The right to rectification
- The right to erasure
- The right to restrict processing
- The right to data portability
- The right to object
- Rights in relation to automated decision making and profiling

Finally, as a data subject, should you be unhappy with the provision of information in this Notice you can make a complaint to the Data Protection Commission, which is Ireland's Supervisory Authority for data protection matters.

Part B: Information Specific to the Data Being Collected for the Renewable Transport Fuel Policy Consultation.

The following data is specific information in relation to the personal data for processed for the purposes of this consultation.

Specific Purpose:

Where an individual, company, or organisation wishes to participate in the Renewable Transport Fuel Policy Consultation, they can express their views through either an online form or via email. The information is submitted to the Climate Adaptation, Research, and Energy Division of the Department of Transport where it is processed and kept on file.

Legal Basis

There is a legal basis for the collection and processing of the personal data when completing the Renewable Transport Fuel Policy Consultation. It is Article 6 (e) of the General Data Protection Regulation Act, lawfulness of processing.

- processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller;

The Renewable Transport Fuel Policy Consultation is a key input into the revised Renewable Transport Fuel Policy 2025-2027, and in this instance it is in the public interest to collect limited personal data. Processing of personal data is necessary for the Department to comply with our legal obligations, and necessary for us to carry out our tasks in the public interest and in the exercise of official authority vested in us.

Recipients:

The recipients of the data are Department of Transport employees in the Climate Adaptation, Research, and Energy Division. with responsibility for conducting the consultation.

Transferred outside the EU/EEA and countries with which there is no adequacy agreement*

The personal information you provide in this form is not transferred outside the EU/EEA.

Retention Period

The data collected for this purpose will be held by the Department only as long as there is a business need to do so in line with the purpose(s) for which the personal data was collected. After this time it will be marked for destruction and will be destroyed in line with internal guidelines or guidelines for destruction received from the National Archives Office or associated permission received from them or in line with other statutory requirements for destruction.

Automated Decision Making

Automated decision making is not part of the processing of the personal data included.

Technical Information on data collected
