Notice to all Masters, Owners and Users of Pleasure and Recreational Craft.

Amendments to the 2017 Edition of the Code of Practice for the Safe Operation of Recreational Craft

The Code of Practice for the Safe Operation of Recreational Craft is a valuable source of information, advice and best practice operational guidance for owners, masters, operators and users of a range of pleasure and recreational craft operating in Irish coastal and inland waters.

The content of the Code is kept under review in order to ensure that it remains up to date. Since the publication of the latest edition in November 2017, a number of revisions and updates have been identified. A list of these updates is available to view at www.gov.ie.

The Code of Practice is a free document and hardcopies can be obtained on request, in both English and Irish, from the Maritime Safety Policy Division of the Department of Transport, Tourism and Sport at email MarineLeisureSafety@dtas.gov.ie.

The Code is also available to view or download from www.gov.ie and www.safetyonthewater.ie.
