#### INTRODUCTION BY THE SECRETARY GENERAL

I am pleased to introduce the 2017 OnePlan, which goes hand in hand with the newly published Department of Justice and Equality Strategy Statement 2016-2019 and sets out the major priorities and objectives from the Strategy to be progressed and implemented this year by the Department and its agencies.

The OnePlan covers key strategic actions being undertaken and is underpinned by business plans at Divisional level, which in aggregate capture the entire programme of work being

undertaken by the Department.

I lead the Management Board in monitoring sectoral performance in respect of delivering this major body of work and will keep the Tánaiste and Ministers of State briefed on an ongoing basis. In line with our values, progress reports will be published twice yearly on our website and details of what has been achieved will also be provided in the Department's Annual Report.
