

## Comptroller and Auditor General

### Report for presentation to the Houses of the Oireachtas

#### Environment Fund

I have audited the financial statements of the Environment Fund for the year ended 31 December 2015 under the Waste Management Act 1996. The financial statements, which have been prepared in accordance with the accounting policies set out therein, comprise the statement of accounting policies, the statement of income and expenditure, the statement of financial position, the statement of cash flows and the related notes. The financial reporting framework that has been applied in their preparation is the format specified by the Minister for Communications, Climate Action and Environment in accordance with Section 74 of the Act.

#### Responsibilities of the Department of Communications, Climate Action and Environment

The Department is responsible for the preparation of the financial statements in the specified format and for ensuring the regularity of transactions.

#### Responsibilities of the Comptroller and Auditor General

My responsibility is to audit the financial statements and report on them in accordance with applicable law.

My audit is carried out in accordance with the International Standards on Auditing (UK and Ireland) and in compliance with the Auditing Practices Board's Ethical Standards for Auditors.

#### Scope of audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements, sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of

- whether the accounting policies are appropriate and have been consistently applied and adequately disclosed
- the reasonableness of significant accounting estimates made in the preparation of the financial statements, and
- the overall presentation of the financial statements.

I also seek to obtain evidence about the regularity of financial transactions in the course of audit.

#### Opinion on the financial statements

In my opinion, the financial statements properly reflect the balance of the Fund at 31 December 2015 and the transactions for 2015.

In my opinion, the accounting records of the Department were sufficient to permit the financial statements to be readily and properly audited. The financial statements are in agreement with the accounting records.

#### Matters on which I report by exception

I report by exception if I have not received all the information and explanations I required for my audit, or if I find

- any material instance where public money has not been applied for the purposes intended or where the transactions did not conform to the authorities governing them, or
- the statement on internal financial control does not reflect the Department's compliance with the requirements for such statements set out in the Report of the Working Group on the Accountability of Secretaries General and Accounting Officers, or
- there are other material matters relating to the manner in which public business has been conducted.

I have nothing to report in regard to those matters upon which reporting is by exception.

## **Statement by Accounting Officer on Internal Financial Control**

### **Responsibility for System of Internal Financial Control**

As Accounting Officer, I acknowledge my responsibility for ensuring that an effective system of internal financial control is maintained and operated by the Department. This responsibility is exercised in the context of the resources available to me and my other obligations as Secretary General. Also, any system of internal financial control can provide only reasonable and not absolute assurance that assets are safeguarded, transactions authorised and properly recorded, and that material errors or irregularities are either prevented or would be detected in a timely manner. Maintaining the system of internal financial controls is a continuous process and the system and its effectiveness are kept under ongoing review.

The position in regard to the financial control environment, the framework of administrative procedures, management reporting and internal audit is as follows:

### **Financial Control Environment**

I confirm that a control environment containing the following elements is in place:

- financial responsibilities have been assigned at management level with corresponding accountability.
- reporting arrangements have been established at all levels where responsibility for financial management has been assigned.
- formal procedures have been established for reporting significant control failures and ensuring appropriate corrective action.
- there is an Audit Committee to advise me in discharging my responsibilities for the internal financial control system.

### **Administrative Controls and Management Reporting**

I confirm that a framework of administrative procedures and regular management reporting is in place including segregation of duties and a system of delegation and accountability and, in particular, that:

- there is an appropriate budgeting system with an annual budget which is kept under review by senior management.
- there are regular reviews by senior management of periodic and annual financial reports which indicate financial performance against forecasts.
- a risk management system operates within the Department.
- there are systems aimed at ensuring the security of the ICT systems.
- there are appropriate capital investment control guidelines and formal project management disciplines.
- the Department is compliant with all relevant guidelines regarding procurement and is complying with all circulars relating to the mandatory use of framework agreements and contracts.

## **Statement by Accounting Officer on Internal Financial Control (continued)**

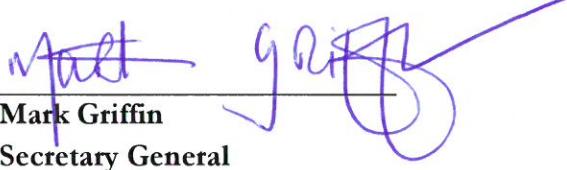

### **Internal Audit**

I confirm that the Department has an internal audit function with appropriately trained personnel, which operates in accordance with an approved written charter. Its work is informed by analysis of the financial risks to which the Department is exposed and its annual internal audit plans, approved by me, are based on this analysis. These plans aim to cover the key controls, on a rolling basis, over a reasonable period. The internal audit function is reviewed periodically by me and by the Audit Committee. I am satisfied that there are procedures in place to ensure that the reports of the internal audit function are followed up.

### **Transfer of Ministerial functions**

The Environment functions, including responsibility for the Environment Fund, transferred from the Minister for the Environment, Community and Local Government to the Minister for Communications, Energy and Natural Resources on 22 July 2016 under S.I. No. 393 of 2016 (Climate Action and Environment (Transfer of Departmental Administration and Ministerial Functions) Order 2016). The Department was renamed Department of Communications, Climate Action and Environment on 23 July 2016 under S.I. No. 421 of 2016.

# **Environment Fund Account 2015**

## **Statement of Accounting Policies**

### **1. Basis of Accounts**

The Environment Fund was established by the Waste Management (Amendment) Act 2001 with effect from 17 July 2001. The proceeds of Environmental Levies in respect of plastic bags collected by the Office of the Revenue Commissioners and in respect of landfill collected by local authorities are paid into the Fund.

The Environment Fund comprises two bank accounts and an Investment account. The Fund was managed by the Department of the Environment, Community and Local Government in 2015 and the associated administration costs were charged to Vote 34, Environment, Community and Local Government.

The account has been prepared for the year ending 31 December 2015 in a form and manner approved by the Minister for Communications, Climate Action and Environment. The account has been prepared on an accrual basis in accordance with the accounting policies set out below.

### **2. Funding Policy**

The Environment Fund is funded through receipts lodged into the receipts bank account (No. 1 account) by local authorities and the Office of the Revenue Commissioners. The balance in this bank account is transferred to the Investment Account on a daily basis. Sums payable from the Environment Fund are paid out of the payables bank account (No. 2 account). The necessary funds are transferred to the payables bank account from the Investment account before payments are disbursed to the relevant payees.

## **Environment Fund Account 2015**

### **Statement of Accounting Policies (continued)**

#### **3. Income**

Income to the fund is recognised as follows:

- Environmental levy on the supply of plastic bags is the amount collected by the Office of the Revenue Commissioners in accordance with Waste Management (Environmental Levy) (Plastic Bag) Regulations 2001 (S.I. No. 605/2001) as amended by the Waste Management (Environmental Levy)(Plastic Bag)(Amendment)(No. 2) Regulations, 2007, SI167/2007.
- Environmental levies on the landfill of waste are based on the tonnage of waste deposited in public and private landfill facilities at rates set by the Minister for the Environment, Community and Local Government.

Levies from public landfill facilities operated by local authorities are due to the Fund based on the volume of waste deposits in the financial year.

Levies from private landfill facilities are payable to the relevant local authority based on the volume of waste deposits. The amount due to the Fund is the amount collected by the local authority in respect of the financial year.

Interest is charged on late payments at 0.0322% per day under Section 13(e) of the Environment (Miscellaneous Provisions) Act 2011. Defaults and late payments by private operators are liable to interest and recoverable as a contract debt through the courts by local authorities.

Local authorities may deduct and retain up to 2% (maximum of €50,000 per annum) from levies payable in respect of privately operated landfill facilities and 80% from levies payable in respect of unauthorised landfill facilities to meet expenses incurred by them in collection and enforcement.

- Receipts from investments are recognised on an accrual basis.

## **Environment Fund Account 2015**

### **Statement of Accounting Policies (continued)**

#### **4. Expenditure**

Expenditure from the Fund is recognised on the basis of:

- Budget allocations approved by the Minister in 2015 in accordance with Section 74(9) of the Waste Management Act 1996 (as inserted by Section 12 of the Waste Management (Amendment) Act, 2001 and Section 14 of the Environment (Miscellaneous Provisions) Act, 2011), which specifies the purposes for which payments may be made from the Environment Fund.

- Local authorities and other organisations submit claims that fulfil the conditions of the approved schemes.
- The Department of Arts, Heritage and the Gaeltacht submit certified claims, in accordance with the terms of a service level agreement, for budgeted Built and Natural Heritage Projects.
- Goods and services are received.

At 31 December 2015 approximately 93,555 tonnes of waste has been repatriated at a cost of €7.5m. The existing framework agreement for disposal of repatriated waste expires in August 2016 and negotiations for a new framework will determine the work programme and further costs to be incurred by the Irish State.

## An tArd-Reachtaire Cuntas agus Ciste

### Tuairisc le cur faoi bhráid Thithe an Oireachtas

#### An Ciste Comhshaoil

Tá iniúchadh déanta agam ar ráitis airgeadais an Chiste Comhshaoil don bhliain dar chríoch an 31 Nollaig 2015 faoin Acht um Bainistiú Dramhaíola, 1996. Is éard atá sna cuntais, arna n-ullmhú de réir na mbeartas cuntasaíochta a leagtar amach istigh iontu, an ráiteas ar bheartais chuntasaíochta, an ráiteas ar ioncam agus caiteachas, an ráiteas ar staid an airgeadais, an ráiteas ar shreabhadh aigid agus na nótaí gaolmhara. Is é ancreat tuairiscithe airgeadais a cuireadh i bhfeidhm agus iad á n-ullmhú ná an fhormáid atá sainithe ag an Aire Cumarsáide, Gníomhaithe ar son na hAeráide agus Comhshaoil de réir Alt 74 den Acht.

#### Freagrachtaí na Roinne Cumarsáide, Gníomhaithe ar son na hAeráide agus Comhshaoil

Tá an Roinn freagrach as na ráitis airgeadais a ullmhú san fhormáid atá sainithe agus as rialtacht na n-idirbheart a chinntíú.

#### Freagrachtaí an Ard-Reachtaire Cuntas agus Ciste

Is é an fhreagracht atá ormsa na ráitis airgeadais a iniúchadh agus tuairisciú orthu de réir an d lí ís infheidhme.

Déantar m'iniúchadh de réir na gCaighdeán Idirnáisiúnta Iníúchóireachta (an Ríocht Aontaithe agus Éire) agus comhlíonann sé na Caighdeáin Eiticiúla d'Iníúchóiri, caighdeáin de chuid an Bhoird um Chleachtais Iníúchóireachta.

#### Raon feidhme an iniúchta ar na ráitis airgeadais

Is é atá i gceist le hiniúchadh ná fianaise a fháil ar na méideanna sna ráitis airgeadais agus ar na rudaí a nochtadh iontu, fianaise ar leor í chun dearbhú réasúnach a thabhairt go bhfuil na ráitis airgeadais saor ó mhíráiteas ábhartha, bíodh sin de bharr calaoise nó earráide. Áirítear leis sin measúnú a dhéanamh orthu seo:

- cé acu is cuí ná nach cuí na beartais chuntasaíochta, cé acu a cuireadh i bhfeidhm go comhsheasmhach iad nár cuireadh, agus cé acu a nochtadh go himleor iad nár nochtadh
- cé chomh réasúnta is atá meastacháin chuntasaíochta shuntasacha a rinneadh agus na ráitis airgeadais á n-ullmhú, agus
- cur i láthair na ráiteas airgeadais ar an ionlán.

Agus iniúchadh ar bun agam, féachaim freisin le flanaise a fháil ar rialtacht na n-idirbheart airgeadais.

#### Tuairim ar na ráitis airgeadais

I mo thuairim, tugann na ráitis airgeadais léiriú ceart ar iarmhéid an Chiste ar an 31 Nollaig 2015 agus ar na hidirbhearta i gcomhair 2015.

I mo thuairim, ba leor taifid chuntasaíochta na Roinne le go bhféadfaí na ráitis airgeadais a iniúchadh go réidh agus i gceart. Tá na Ráitis Airgeadais ag teacht leis na taifid chuntasaíochta.

#### Ábhair ar a dtuairiscí mar eisceacht

Tuairiscí mar eisceacht mura bhfuair mé an fhaisnéis agus na mínithe ar fad a theastaigh uaim le haghaidh an iniúchta, nár

- má thagaim ar aon chás ábhartha nár caitheadh airgead chun na gcríoch a bhí i gceist ná nach raibh na hidirbhearta de réir na n-údarás a rialaíonn iad, nár
- má fhaighim amach nach léirítear sa ráiteas ar rialú inmheánach airgeadais comhlíonadh na Roinne i leith na gceanglas do ráitis den sórt sin a leagtar amach i dTuarascáil an Ghrúpa Oibre ar Chuntasacht Ard-Rúnaithe agus Oifigeach Cuntasáiochta, nár
- má fhaighim amach go bhfuil ábhair ábhartha eile ann maidir leis an gcaoi a ndearnadh gnó poiblí.

Níl aon rud le tuairisciú agam maidir leis na hábhair sin ar a dtuairiscítear mar eisceacht.
