1. Have the relevant aspects of the environment as they relate to the NBP-Intervention Strategy been described?

No

If you have any further observations, please add comment below:

It is not possible for me to get high speed broad over my phone line from any provider. My house is located in the "Blue area" on your map for high speed broadband coverage. So there should at least be plans to deliver high speed broadband to my house. Please share with me these plans and the timescale. My address is "XXXXXXX".

2. Have the relevant significant effects [positive and negative] of implementation of the NBP-Intervention Strategy been considered?

No

If you have any further observations, please add comment below:

It is not possible for me to get high speed broad over my phone line from any provider. My house is located in the "Blue area" on your map for high speed broadband coverage. So there should at least be plans to deliver high speed broadband to my house. Please share with me these plans and the timescale. My address is "XXXXXXX".

3. What amendments to the Intervention Strategy are required to adequately reflect the findings of the SEA report and the NIS?

It is not possible for me to get high speed broad over my phone line from any provider. My house is located in the "Blue area" on your map for high speed broadband coverage. So there should at least

be plans to deliver high speed broadband to my house. Please share with me these plans and the timescale. My address is "XXXXXXX".

4. What, if any, observations do you have regarding the High Speed Broadband Map Process?

It is not possible for me to get high speed broad over my phone line from any provider. My house is located in the "Blue area" on your map for high speed broadband coverage. So there should at least be plans to deliver high speed broadband to my house. Please share with me these plans and the timescale. My address is "XXXXXXX".
