River Bandon (Bandon) Flood Relief Scheme

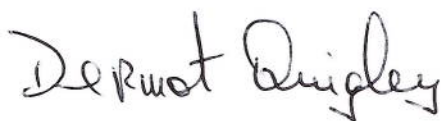

Dear Liam,

I refer to your letter of 29 March 2016 regarding the above scheme.

The Department has considered your letter and notes your Office's confirmation that it will comply with the conditions set out in the appendix to the letter of 24 March 2016. The Department also notes the issues raised in relation to conditions 15 and 16 and is satisfied with how your Office proposes to deal with these as set out in your letter.

Therefore, the order to confirm the scheme will now be finalised and the public will be informed of the decision in the local media and on the Department's website in the coming days.

Yours sincerely,

Dermot Quigley.
