- If all is in order, a message is displayed to the user:
 - informing the applicant that the request has been logged with the Department for processing;
 - informing the applicant that they will be contacted in due course using the email address provided/retrieved;
 - advising the applicant of the reference number for tracking purposes (e.g. ECS000180).

The screenshot shows the 'Export Certification System' interface. At the top left is the logo for 'An Roinn Talmhaíochta, Bia agus Mara, Department of Agriculture, Food and the Marine'. The page title is 'Export Certification System'. Below the title is a dark teal bar with the word 'Home' in white. The main content area is white and contains the following text: 'Thank you', 'Your Phytosanitary Plant & Horticulture Certificate request has been logged with the Department for processing.', 'You will be contacted in due course using the email address you provided.', 'Your reference number, for tracking purposes, is', and 'ECS000180'. At the bottom of the page, there is a small copyright notice: '© Copyright 2019 Department of Agriculture, Food and the Marine, Version: 1.0.0.88'.

- An email notification is sent to the applicant at the email address provided:
 - stating that the application has been received;
 - quoting the reference number of the request and the Certificate type;
 - informing them to email the relevant area for any queries (with the commodity-relevant contact email address provided in the body of the email).

Example of email content:

Subject: Your application has been received

Thank you

Your application has been received.
