Coon Tidy Towns and Heritage Group, Co.Kilkenny consider a Deposit/Refund Scheme-particularly on plastic drink bottles, plastic milk containers and other single use items may help to alleviate the blight of rubbish strewn on roadsides.

Furthermore, could a charge for waste collection be included in Property Tax, and a refund given to householders who can prove they have dramatically reduced their annual carbon footprint.?

Would it be possible to re-introduce old fashioned glass milk bottles which can be reused.?

Would it be possible to give a small subsidy to householders to purchase garden compost bins, and have leaflets sent to all homes as to how to use them in a proper manner.?

Patricia Murphy, Chairperson.
